SAMPLE CONSENT FORM

DATE ______________

I, ________________________________, freely and voluntarily and without undue inducement or any element of force, fraud, deceit, duress, or other form of constraint or coercion, consent (give my consent for ______________________) to be a participant in the research project entitled, " ____________________________________________ ."

to be conducted at ________________________________, during the period ___________ to ___________, with ______________________ as Principal Investigator. The procedures to be followed, and their purposes, including identification of any procedures, which are experimental, have been explained to me and I understand them. They are as follows: _________________________________________________

_______________________________________________________________________

_______________________________________________________________________

_______________________________________________________________________

The attendant discomforts and risks reasonably to be expected by my (his/her) participation in subject project have been explained to me and I understand them to be as follows: ______________________________________________________________

_______________________________________________________________________

Any benefits reasonably to be expected from my (his/her) participation and any alternative procedures that might be advantageous have been explained to me and are as follows: ______________________________________________________________

_______________________________________________________________________

I understand that this consent and data may be withdrawn at any time without prejudice. I have been given the right to ask and have answered any inquiry concerning the foregoing. Questions, if any, have been answered to my satisfaction. I have read and understand the foregoing.
