Alcapary, Aug 1st 1879

The Honorable Board of Trustees Alcapary Female College, we, the examining committee appointed by the St. Joe court, respectfully report that we have examined the papers submitted to us with considerable
Minutes and care. These papers exhibit a characteristic individuality throughout which precludes any suspicion of keeping or collusion. They show also unmistakable evidence of pains and pains-taking in their composition. The result of this is evident in the profuse use by the pupils in each class. Their familiarity with the various branches is very creditable, and is more evident as they advance. We are led to hope for ripe scholarship from the formation given by Sophomore and Junior Classes.

We most cheerfully recommend the members of the Freshman Sophomore and Junior Classes respectively. We and the members of the Senior Class, Misses Eliza Williams, Mattie Proctor, Stella Jones, and Fannie White, for graduation upon the merits of their papers. Respectfully.

Sir,

I hereby tender my resignation of membership in the Board of Trustees of the LaGrange Female College. This is not due to any decrease of interest in the college, but because my residence is no longer a part of the state. During my efficiency as a trustee it has been my wish that I should give my services to the college more freely.

In this view, I hope you will understand that I am relinquishing my connection with the college, and with the interest of the college, allow me to express my high esteem for you, for your success in a work of such importance, and my wishes for the welfare of the institution, which you hold in trust. I pray that the blessings of our Father may rest upon you and the college, that the may give us all the wisdom in the management of this high trust, that for generations to come it may continue to be a step forward towards the Lord.

I am, gentlemen, very respectfully,

Your obedient servant,

J. T. Waterman
