EL CIRCULO HOLDS INTERESTING MEETING

El Circulo-Espanol met March 16, 1926. A very attractive program was announced. The program was introduced by Mrs. Margaret Strain, secretary of the organization, and Mrs. Thompson, a member of the organization. The program was divided into four parts, each part dealing with a different aspect of Spanish life.

The first part of the program dealt with the history of Spanish civilization. Dr. Eduardo Cortes, a well-known student of Spanish history, gave an interesting account of the early history of Spain. He showed that Spain has been a land of progress and that its people have always been a force for good in the world.

The second part of the program was devoted to the literature of Spain. Prof. Francisco Garcia, a distinguished Spanish scholar, read from the works of several Spanish authors. He showed that Spanish literature is a rich and varied body of work, and that it has produced many famous writers.

The third part of the program was devoted to the music of Spain. Prof. Luis Garza, a well-known Spanish musician, played several pieces on the guitar. He showed that Spanish music is a beautiful and expressive art form.

The fourth and final part of the program was devoted to the art of Spain. Mr. Jose Martinez, a well-known Spanish artist, showed several works of art from the Spanish museums.

The program was finished by the reading of an address by the President of the organization, Miss Jessie Hughes. She spoke of the importance of Spanish civilization and its contribution to the world.

WHEELER STREET.

Every one enjoyed the reception line and met all the Sophomores. The Sophomores won the silver flag.

Baxter Jones, attorney, of Macon, Ga., moved into the office.

GREAT INTEREST IN OPERA

The annual conference of the Southern Inter-collegiate Association of Student Governments was held at Wesleyan College April 11-17. Every phase of student government was taken up and discussed. The ideal relation of student government to the university, to the state, and to the nation was discussed, and these ideas can be brought about in the separate student government and the national government.

The delegations were able to get much practical help from the conference, but even greater than the practical value gained was the inspiration, the spirit of it all. Each representative received a vision of student government in its greatest, broadest, and highest sense.

Among the speakers were: C. Baxter Jones, attorney, of Macon; Dr. Bertha Ann Easter, associate professor of history at Wesleyan; Dr. George W. Lyell, head of the department of economics; Miss Martha D. Jones, head of the department of English; Miss Franklin C. Callaway, head of the department of music; Miss Margaret M. Wright, head of the department of history; Miss Elizabeth T. Callaway, head of the department of biology; Miss Annie L. Brown, head of the department of modern languages; Miss Alice M. Gay, head of the department of mathematics; Miss Ruth A. Smith, head of the department of art; Miss Helen M. Smith, head of the department of music; Miss Mary E. Smith, head of the department of home economics; Miss Mary E. Smith, head of the department of business administration; Miss Mary E. Smith, head of the department of physical education; Miss Mary E. Smith, head of the department of health and physical education; Miss Mary E. Smith, head of the department of physical education; Miss Mary E. Smith, head of the department of physical education; Miss Mary E. Smith, head of the department of physical education.

The installation service for the new officers was held Sunday, April 15, at six o'clock, in the chapel. The officers, old and new, dressed in white, marched down to the prayer bell while "Follow the Gleam" was played. They took their seats and the installation took place. Miss Newton, the old president, presided. "Follow the Gleam" was sung, and then Miss Newton gave an interesting talk, which she brought to the needs of the new officers in her line of work. She tried to point out the best of the incoming year for the new officers. Miss Newton made all the benefits of the best cooperation in this organization.

Miss Josephine Glenn and Miss Emily Gross were our Y. M. C. A. training camp at Camp William, Ga., and Miss Smith in New York. The plan was changed, and Mrs. Smith is now giving mission talks weekly, which are both helpful and interesting. We feel that we are exceedingly fortunate to have Mrs. Smith to give these talks.

**THE ART CLUB ACTIVITIES**

An organization on the hill which is doing a good bit of work and saying nothing about it is the Art Club. The members have been doing things all the year, but now they are especially active. They want the art exhibit, which we have each year, to be a greater success than ever. Miss Roberts Black, the head of the Art Department, is a very enthusiastic worker and encourages all members of the Art Club to be also. To be a member of the Art Club, one must take art and meet Miss Black's requirements. The girls in all phases of artistic work, from free hand drawing on up to the artistic scale, are doing work that will attract attention. Some of the members of the History of Art classes also take art and are members of the Art Club. There is no special study on the lives of the artists; the main aim is to get an idea of the works of the artists. During the second-year class in History of Art there is an interesting class in problems concerning the arts. All those who have never heard the Glee Club before to understand why they are called the South's Sweetest Singers. They gave an excellent program, and one that was enjoyed by all present. It was a musical evening.

**College girls will never forget the occasion and the privilege of having the Glee Club on the hill. We hope they'll come again.**

**MISS WINN GIVES A RECEPTION**

Miss Harrison Winn, head of the Education and History departments, recently gave a reception at the LaGrange High School to those girls who have been taking the training courses for prospective teachers. All Seniors who are expecting to teach next year were invited, and they might each invite a teacher of the LaGrange High School to the reception. The reception was held in the Winn's home in honor of the Senior girls, and it was the first time that the Senior girls had been invited to a reception in honor of them in the college. The reception was a great success, and all those who attended were highly satisfied with the way it was managed. The reception was held in the Winn's home, and it was a very pleasant evening.

**The Long Table**

The long table was beautifully decorated in the club colors, green and yellow. The center piece was an immense bowl of jessamine and ferns. The place cards were made in the form of a skull and cross bones. Miss Myrtle Cannon, president of the Club, presided. After her cordial welcome to the members and guests, President Thompson, Mrs. Youngblood and Lewis Render, Miss Elizabeth Williams toasted the new members; Miss Mary Frances Wigfall and Miss Elizabeth Williams offered a toast to the sponsor, Miss Byrd, to which Miss Byrd responded with a vision of Phi Beta Chi. The reception was well attended. Miss Josephine Glenn gave a poem. President Thompson, who responded with a picture of LaGrange College several years ago, was introduced. Mr. Louis Render, president of the Bank of LaGrange, gave the address of the evening. Because of Mrs. Render's deep interest in the club, she made an honorary member.

**EXCHANGES**

A Psalm on Fords

The Ford is my auto.

I shall not walk.

I make it lie down in mulch

It leathen me into trouble.

It draweth on my purse.

You though I understand my Ford perfectly,

I fear much lest the radiator crack.

It hath a blow-out in the presence

I amont the tire with a patch.

Surely this will not follow me all the days of my life.

Or I shall dwell in the house of poverty forever.

Moral: Equip your Ford with one of the new improved cuckoo clocks. When the car reaches 25 miles an hour the bird will sing, "Nearer my God to Thee," and at 40 miles an hour, "Lord, I am going to get one just exactly like that."

**EMORY GLEE CLUB**

One of the happiest days in L. C.'s 1926 calendar was April 9, when this dynamic Emory Glee Club came to LaGrange to give their program. The program consisted of five and six a reception was given the boys in the department, and the presidents of the different organizations were in the receiving line to extend handshakes to the members of the societies represented several times during the evening. During the evening the Glee Club gave the program out at the College, and all the boys were in the audience. It was a wonderful program, and all those who have never heard the Glee Club before to understand why they are called the South's Sweetest Singers. They gave an excellent program, and one that was enjoyed by all present. It was a musical evening.

**COLLEGE GIRLS WILL NEVER FORGET THE OCCASION AND THE PRIVILEGE OF HAVING THE GLEE CLUB ON THE HILL. WE HOPE THEY'LL COME AGAIN.**
