the country areas were able to continue.

In reference to Mr. and Mrs. Baker's letter,-They write mostly that they are be-
ing physically worn down by the enemy, but are generally all right. Food is scarce but that is the way it has ended. The Exekrs live at Hokuson, some 500 miles from Havana. She is sure that the economy of the country will improve. Many sugar cane crops were destroyed during the fighting, and that is a principal source of income for a large percentage of the Cubans." She seems especially happy that travel in and out of the country will now be freer.

What added about Batista's flight that at appeared to be a time of victory for his army, the thirteen year old freshman replied, "Batista said that it was because his army wasn't prepared to fight as well as the rebels. My brother, who lives in Miami, and I feel it was because of panic. When a dictator regime is turned down, he wants to run.

"Pancho," as Francisco Ill, is called doesn't have to run. If he doesn't play tennis, is a native of Santiago, Cuba. "The rebel victory means a better life for me and my family. We won't have to pay taxes to the police. Our commercial and economical life will also improve."

The pro-American Castro has never sought to be president. "Punch" says, he only wanted to free Cuba. Concerning provisional President of the Congress, Roberto, Francisco believes, "Urrutia practiced law in my home town, and I didn't know him personally, I did know his reputation. I think that he is the best man for the position and stands a good chance of winning the unchallenge-
ing election, if he decides to run.

When "Panchito" heard the news that Batista had fled the country, he was inAtlanta, and I almost killed myself jumping around the streets. This victory is the best thing that has happened in Cuba since 1952. When another dictator, Mastro-Dato, was thrown out of power.

Panthers Beat Shorter; But Bow To Petrels 47-45

Last Friday night in Rome, Ga., the Panthers took over second place in the G.I.A.C. Conference by storming over their hopes of taking over the conference leadership were dimmed by losing a heart-breaking 72-71 loss to the Stormy Petrels. Oglethorpe earlier in the year, the Panthers were forced to settle for a second loss to the Stormy Petrels. Oglethorpe, spoiling for a second loss to the Stormy Petrels. Hoping to make it a perfect weekend and to avenge a 59-50 defeat at the hands of Oglethorpe earlier in the year, the Panthers were forced to settle for a second loss to the Stormy Petrels. Oglethorpe, spoiling for a second loss to the Stormy Petrels.

Leading at half-time 37-26, in the second half, the Red Grange Panthers dropped their lead to go ahead about 6 minutes before the end of the game. Desperately trying to rally the Panthers went into the last 2 minutes trailing 72-64, and pulled for 5 points while holding Troy to none. But when the final buzzer sounded, they found this not quite enough as time ran out to end the rally.

Percentage-wise the Panthers hit 44% from the free throw line while hitting 32% of their field goals. The Petrels hit 47% of its field goal attempts while Troy State made 32% of its field goals and 3 free-throws.

High scorer in the game was Copeland, who hit for double figures, Herby Slayden with 17 and Buddy Grimes with 16. Shorter was led by little James Pollock with 17 points and Hugh Green with 15 points.

The loss to Oglethorpe pushed the Panthers back into a second place tie with Shorter in the G.I.A.C. Conference. Both teams have a 3-2 record in the conference.
L.C. Cagers Face Tilts
With Cadets and Braves

On Jan. 17, Saturday, the Panthers move into Dahlonega for a conference game with the North Georgia College Cadets. The Panthers took the first game against this team in a nonconference tilt, 85-46. However, it is expected they will have a rougher time as the Cadets are believed much improved and will be playing on their home court.

The following Saturday, Jan. 24, West Georgia College comes to LaGrange in a conference game. And on the 27th the Panthers play host to a highly-ranked Auburn Freshmen team. The Panthers will be out to avenge last year’s one point loss to the Auburn “Baby Tigers.”

The L.C. “5” has had good luck on the road this season, losing only one away from home and winning 6. At home they stand 1 and 2. With most of their remaining games to be played in LaGrange, Coach Hiram Reeves expects the Panthers to remedy this situation in the near future. It is hoped that they will soon be playing in their own gym. It may be ready for the Feb. 4 contest with Piedmont.

Classes Elect
May Court

Representatives from each class have been elected to serve in May Court this spring. The freshman class will be represented by Martha Middlebrook and Sandra Thompson. Faye Haney and Marilyn Neal represent the sophomore class, with June Walker and Gudrun Anderson for the junior class. The honors went to Anne Dorris and Nancy Gibson from the senior class.

These representatives will take part in May Court with Olin Harp and Mary Ansty being crowned as king and queen. Barbara Bradley will serve as maid of honor.

Dean Attends Assembly

Mary George Dean, recreation co-chairman of the LC Student Christian Association, was one of more than 1,000 college students of many beliefs and races who attended the YM-YWCA National Student Assembly at the University of Illinois during the Christmas holidays.

“A Search for Authentic Selfhood” was the theme of the quadrennial conference which was attended by delegates from Young Women's and Young Men's Christian Associations and SCA’s in colleges and universities throughout the United States.

According to Mary George, “The assembly provided many experiences that are invaluable to the individual delegates and to the associations they represent. I hope to share with the campus the insights I gained at the conference.”

Mary George is scheduled to report to the SCA cabinet Wednesday night. Later she will also tell of her conference experiences at a meeting of the entire membership of the religious group.
