L.C. Choral Group To Sing For Lions' Club in Columbus

The LaGrange College Choral Group made their first out-of-town trip Wednesday, February 11, when they went to Columbus for a 3:00 p.m. program. The Musicians' Lion's Club played host to the group, and the wives of the Lions were there for the Lion's Night out.

The Choraliers were to Columbus by chartered bus and arrived at the Columbus Country Club, where the program was held. Mr. Walter Vestal, director of the group, released the selections that was sung. The evening started with a mixture of lightness and fun and included a wide range of popular and standard music. In honor of the birthday of George Washington celebrated in this month, the Choraliers began with "Who Chopped Down the Cherry Tree" by Ben G. Karpefs. This was followed by "Tales of Old Black Magic" by Harold Arlen, "Some Enchanted Evening" from the successful stage and new LaGrange College gymnasium is shown here from the inside view and the outside appearance. The new $325,000 building will be used for an upcoming G.I.A.C conference.

The long-awaited new gymnasium will be ready next week, "weather permitting," according to C. Herbert, who is going to make an announcement Tuesday.

Clear weather will make possible the completion of walls and roof and steps in time for the basketball game with Berry College here Wednesday, Feb. 10. Contractor Frank Tracy said.

This new $250,000 gym is a fully equipped athletic structure having dressing rooms and facilities for track and field events, light athletics, and a basketball stadium with a seating capacity of 800. The building will also contain the Maintenance Department and a modern kitchen.

To make the L.C. basketball games more enjoyable there is a concession booth in the lobby and also a new public address system. The gym is North Georgia-LaGrange College in LaGrange at 9:00 p.m. on Tuesday, February 14, at the Elk's Temple, LaGrange.

The dance will begin after the North Georgia-LaGrange College basketball game and will last until 12:00. All women students will have the permission according to Doreen Sanders, February 14, 1959 at 8:15 p.m. at the City Elks Club.

Advertising does more than finance the paper, how- ever. It keeps our readers informed of services available on our campus from outside sources. The very fact of the matter is that the campus is harboring several lingerers. Horrible thing it may be to contemplate these care less little creatures scurrying about outside the walls and looking in. Unfortunately, this makes the looks of a campus that could be lovely and well maintained go unfulfilled. We cannot expect the custodians to pick up all the trash dropped by students who consciously or unconsciously forget that their inconsiderate acts are hurting the looks of their campus.

The lack of cleanliness affects more people than we can realize as visitors come to our school and take away a mental picture, good or bad.
Hawaiian Minister To Speak For L. C. Chapel Program

Dr. Harry Komuro, superintendent of the Hawaii Mission of the Methodist Church, will speak at the chapel here February 19. Our college is one of the ten Georgia colleges Dr. Komuro will visit during the week of January 15-20.

Dr. Komuro’s father was a Methodist home missionary who worked particularly among West Coast Japanese. His father’s ministerial assignments were such that Dr. Komuro was reared on both coasts of the United States and in Hawaii.

Dr. Komuro’s pastorates include the Wesley and Harris Memorial churches in Honolulu.

Our college is one of the ten Hawaii Mission of the Methodist Church, will speak 1959. He was named superintendent of the Hawaii Mission in 1954.

He is a member of the Board of Directors of the YMCA of Honolulu, the Executive Board of the Honolulu Council of Churches, and the Commission of Labor and Industrial Relations of the Territory of Hawaii. Dr. Komuro served as panel member from 1933-1935 on the TV program, “Religious Round Table.”

Dr. Komuro attended the University of Hawaii, Columbia University, from which he received the Bachelor of Arts degree, and Drew Theological Seminary, Madison, New Jersey, from which he received the Bachelor of Divinity.

His visit is sponsored by the Department of Student Work of the Board of Missions as well as by the Georgia Methodist Student Movement.

The question of establishing a smoker in Smith came before the Council and it was decided that a smoker should be allowed. Girls will no longer be permitted to smoke in their rooms in Smith. Mrs. Seda Pool, house mother, will be responsible for setting up the smoker in Smith.

Two committees which the Council felt were needed were established in conjunction with the administration. A committee composed of seven students and seven faculty members was set up to regulate academic requirements for holding student offices, offices and representing the college or student organizations at a conference.

Another committee was formed to set the time for such activities as rush parties, rat day, stunt night, field day, etc. This committee is composed of three faculty members and seven students.

The Council voted unanimously to put up a sign in the dining room prohibiting breaking in line. According to a proposal put before the meeting, stronger measures will be taken if students do not cooperate by going to the rear of the line when entering the dining room. Students who have urgent business will be permitted to go to the head of the line but they must be able to show the necessity for going ahead of others.

Attention was also called to the fact that students were not observing the regulations concerning noise in the library.

Panthers Smash Three GIAC Foes

The rampaging LaGrange College Panthers burst out of a two-game losing streak last week to rip three upset-minded Georgia Intercollegiate Conference opponents and take possession of second place in the league.

Panthers Roll
Going into triple figures for only the second time this year, the prowling Panthers out scored a determined Valdosta State squad, 101-93.

Sophomore Larry "Legs" Boswell, 6-3 forward from Phinizy City, Ala., put on a tremendous second half show as he came off the bench to score 23 points and pick off 17 rebounds. Boswell had a perfect night from the foul line hitting 6-for-6. He poured in 10 from the field before fouling out with 4 minutes left in the game.

Leading only 48-46 at half time and having been as much as seven points behind, the Panthers played an exciting second half as two others scored over 20 points. Wallace Brown tied the individual single game record for this year as he poured in 28 points and picked off 23 rebounds. Brown had a perfect night from the foul line hitting 11-for-11. He poured in 10 from the field before fouling out with 4 minutes left in the game.

With Wallace Brown playing forward and scoring 24 points while picking off 17 rebounds, the LC cagers romped and stomped to a decisive 87-66 win. Wayne "Feet" Copeland, playing the other forward position, scored 19 points and hauled down 24 rebounds.

Putting on their best defensive game of the season, the "tight" Panthers held the Lions' high-scoring center, John Kulpkin, to 12 points. They also held the Piedmont team to only 22 points through the first half and 38 through the middle of the second half in what can be described as their best team effort this year.

Blue Jackets Edged
The high flying Panthers took the road Thursday night, Feb. 28, as they notched their second victory over the Piedmont Lions in the last four games. The Panthers ended up with 4 minutes left in the game in the first half by a score of 20-18. The LC charges on the boards by Hal Troup and Brown with 8 for the LC charges on the boards by Hal Troup and Brown.

With 14 minutes still left in the game, high scorer Wallace Brown fount out after collecting 20 points. The Berry team went on the offensive and tied the score 44-44 as the game went into the last 6 minutes of play. Then, at the last 3 minutes, a couple of free throws by Jerry Garden and a quick field goal by Larry Boswell, the Panthers pulled away to come on top when the final whistle blew. LaGrange ended at halftime, 84-66.

Wayne Copeland once again led the LC charges on the boards picking off 23 rebounds, followed by Olin Harper and Brown with 19 each.

G.I.A.C. Tournament Reset

Tournament dates for the Georgia Intercollegiate Athletic Conference have been reset for the originally planned dates of February 28, 27, 28. LaGrange College will play host to the tournament in their new gymnasium. The tournament dates have been declared ineligible for the number two will meet number three, and so on through the number eight team, number two will meet number seven, and so on through the last number eight team, number two will meet number seven, and so on through the number eight team, number two will meet number seven, and so on through the number eight team.

To Stop Panthers
Despite a tremendous one-man show by LaGrange's Wayne Copeland, the "Baby Tigers" of Auburn proved too strong and tall as they took a 76-70 decision over the Panthers, Jan. 28 at Callaway Auditorium.

Copoland, 6-4 forward, led the Panther attack in all departments. He broke the LaGrange single game scoring record by netting 30 points. Wayne hit 12 field goals and 6 free-throws, tops for the Panthers. He also picked off 16 of the LC cagers' 30 rebounds. Wallace Brown with 10 points, Larry Boswell with 11 points and Buddy Grimes with 13 points put 4 Panthers in the double-figure column.

Then on Sat., Jan. 31, the Clem- son freshmen gave LaGrange its worst defeat of the season in their 83-81 win in the annual Winter Games at LaGrange High School gymnasium.

Behind as much as 16 points at one time, Coach Hitton Reeves' squad put forth a last few min- utes effort but found it quite enough to close the wide gap opened up by a tall, aggressive Clemson team. Led by guard "Choppy" Patterson with 22 points, the Clemson Freshmen put on a remarkable demonstration of excellent ball handling.

Panthers should meet their first opponents in the first round on Thursday evening.
Most Wins Cagers' Aim
In 5 Remaining Games

Only five regular season basketball games—only three home games—remain on the LaGrange College schedule, but these will decide whether the Panthers can set a new best record in the school's history.

Last year's LC quintet racked up more wins (21) than any previous team, but dropped eight games during the season.

The present Panther team is still looking for victory number 21, but that could come this weekend when Coach Hiram Everett sends his charges against West Georgia next Friday at Carrollton or on Saturday night when the Panthers take on the North Georgia Cadets in College Auditorium.

Next week the LC five (plus substitutes) will go to Troy, Alabama on Tuesday afternoon, February 17, seeking revenge for a one-point 72-71 loss to a strong Troy State squad.

Then the Panthers from "the hill" return home to face teams from Rome: the Berry College Beavers on Wednesday, February 18, and Shorter College on Friday, February 20.

Faculty, 36-28

The Faculty showed fiery spirit throughout the game and led the Student body in cheers, with two old favorites, "So In Love" from "Kiss Me Kate" by Cole Porter, and "Night Has A Thousand Eyes" by Noble Cann.

The Faculty may get another chance to even the score against the Students next Saturday night when the Panthers take on the Berry College quintet at the West Georgia Cadets' Dahlonega bandbox. This as well as the West Georgia game.

Circle K Honors
Miss Carolyn Babb

Miss Carolyn Babb was elected 1959 Sweetheart of Circle K at their bi-monthly meeting February 5. Professor Ezra Sellers, faculty advisor, Mr. J. H. Griggs, state Circle K chairman of Kiwanis, and Dr. A. C. Myers, local Kiwanian Circle K chairman, attended the meeting.

The group also nominated new members to be received into the organization this month. Projects for this semester include a student loan fund in the little store, name will be conference tilt. After the rematch with a Troy State team which is sporting a number from the local cagers.

StudentsBest
Faculty, 36-28

Thrills, spills, and cheers played a vital part in the annual faculty-student volleyball game Thursday night. At the close of the first half the "Faculty" was in the lead, but coming from behind in the early minutes of the second half the "Students" edged the Faculty by 36-28 decision.

The Faculty showed fiery spirit throughout the game, led by a peppy pair of cheerleaders, Dr. Henry and Dean Talbot, decked out in LC's guiding outfits, led the faculty members in some encouraging cheers.

With a large group of eager substitutes the Students were able to send in practically a whole new team at the end of each quarter, thus strengthening their chances for victory.

The Faculty may get another chance to even the score against the Students in the very near future, it was reported after the game. (Glumly Trice).
