Laury visits Campus Enroute to Thomasville

Miss Laurey de Benevides, who attended LC for two years, visited the campus last week en route to Thomasville, Ga., where she will give a presentation for a regional meeting of the Rotary Club.

Born in Recife, Brazil, Miss de Benevides was heard singing in the choir of a Presbyterian Mission School. Mr. Ward Adams of the Protestant Hour sang her voice, and her career began.

Through efforts of Dr. W. G. Henry, Rotary Club interest was awakened in the Brazilian girl. She came to LC, and during that time was at Rotary International in Philadelphia. In April, Miss de Benevides was heard in Miami, as well as throughout Georgia and neighboring states.

Miss de Benevides, while attending LC gave a bell song from "Lakme," "a fors e lui," from "La Traviata." She also sang a "bell" song from "Lakme," "a fors e lui," from "La Traviata." To All Students

It is a commonly known fact that any institution that gathers many different peoples together faces the hazard of stealing. This is particularly unfortunate when this practice hits a denomination of the Church.

Since this is a wide-spread problem, it would seem that preventive methods are in order. Recently, several sums of money have disappeared from the dormitories, and the losses total quite high. Something should definitely be done, but the administration's hands are tied in the matter. It is next to impossible to trace money. Therefore, since the corrective method is closed, we wish to appeal to the sense of caution of everyone on the campus to help combat this evil.

Here are a few simple things that you can do each day to cut down the possibility of stolen money. Keep your pocketbooks and billfolds out of sight. Put them in a drawer, closet or some other such less conspicuous place. DO NOT leave money lying around on dressers, desks or tables. Try not to keep a large sum of money with you. Put it in the bank. And if it becomes necessary, get two keys to your room and keep it locked when you are not in it.

Any person who is stealing money on the campus should realize that sooner or later one of two things will catch up with him: the people from whom he is stealing — or his own conscience.

Letters to Editor

To the Editor:

One of the favorite subjects of discourse on the Hill this year has seemed to be the subject of competition, as between the Chapel or of the programs. This has been a subject that has been the sore spot that the students are concerned with. Even the last issue of the "Hill-Top News" was a letter to the editor, talking of how the students spend the hour studying or even21, 1959
**Confetti...**

**By Ray Balfred**

All sorts of wondrous things come out of those lunchtime dining hall conversations. One day recently we were talking about the rash of engagements among the girls in the upper classes on the Pitts campus (and all that gitters in Pitts is not light bulb) and Jim Berrin kidded about one couple, "Yes, she's just right for him—he's dumb and she's stupid!"

Many of the junior and senior girls, by the way, are quite concerned over the Diamond Rush beginning to settle on the hill and had scored a direct hit. "Well, the fact that once again Cupid type squeaks and scurrying of the rash of engagements among and dignified upperclasswomen on the porch of Pitts making conjecture a couple of Sundays ago. A few happy congratulations type squeaks and scurrying of high heels inside gayer evidence to the fact that once again Cupid had scored a direct hit, and, indeed, there goes another one, aren't there?"

She wryly commented. "Cheer up girls—your day will come. After all, spring '59 is just beginning to settle on the hill and you know what happens in spring. Girls, cheer up, girls, and carry the old banner forward, girls. "Marriage or bust!"

"When that April with his showery showers comes, I'll be married or I won't be married, and I'll have a job!"

The drought of Marche hath perished to the note."

Yea, team!

The Curtain Raisers did a beautiful job with "Hamlet" and one of the most thrilling features of the production was the excellent dialogue delivered at this stage set. **WUS Goal Still Not Reached**

A total of 500$ has been raised by the Student Christian Association for the World University Service, an organization which enrolls, through the campus, students of all kinds from the college and to receive needed medical aid.

Miss Ruth Hamlin, a representative from WUS, visited the campus on March 11-12. Miss Hamlin introduced the WUS campaign speaking in chapel and at vespers, and by sending several class discussions. Also of interest was her demonstration of how to put on a sash, her native costume. 5$ was collected at the chapel service at which Miss Hamlin spoke. Students who did not pledge at this service will have an opportunity to contribute to this.

An auction sponsored by the World-Religious Committee of the SCA on March 17 brought in $86 for that refreshes". Mrs. Pitts was in charge of the auction and Sherill Stoker served as general chairman. A great number began choice cake baked by Mrs. Cook brought the biggest price of 50$. Mrs. Pitts asked. "In Hawkes???" So深入开展地讲.......

It was then that I realized what I had done. I had disfigured the pages number instead of the Pitts number! Needless to say, in March all the rules and regulations, and not just their whins and pears, as one of your writers has so aptly put it."

This notice was taped to the front of the vending machine and everyone added to it, "He will give it a demerit."

The Sports Bug

BY PAUL BUDD

With basketball in the back of everyone’s mind and spring drawing near, LC students’ thoughts turn to—you guessed it—fraternity and sorority activities.

Fraternity competition for the coveted E. A. Bailey Award is based on leadership, scholarship and athletics. Winners are given based on the points system. The points system for the Bailey Award was set up in the last Inter-Fraternity Council (IFC) meeting to award the most competitive and well-rounded team.

Delta Phi Delta has been given the highest total points in the three categories. The top three awards for this year were announced. The leaders are the Alpha Phi Delta team, with 195 points. The second place winners were the Pi Delta Phi team, with 150 points. The third place winners were the Kappa Phi Delta team, with 120 points.

Leadership points were set up with 300 points as a base. These points were divided among the ten major officers chosen by the IFC. In sports points, the points were set up with the major sports (basketball, volleyball, track, etc.) winners receiving 60 points, second and third place winners receiving 30 and 20 points, respectively. The winners are the fraternity with the highest scholastic average, which covers second semester of 1958 and first semester of 1959.

Delta Phi Delta has held the lead again with 195 points. The Pi Delts have won the award four out of the five years it has been given. Second and third place leaders will be decided with the completion of the basketball tournament.

In sorority competition an Alpha Phi Beta-Delta Phi Delta combination has taken the lead with two victories in the volleyball tournament. Other tournaments are still in the elimination stages.

TENNIS PROSPECTS

Contrary to past rumors, LaGrange will have a 1959 tennis team. A five team conference has been set up with several tentative matches scheduled. Only one man is returning from last year’s team. He is Jerry Blinn, last year’s number one man. Others competing for positions are Larry Brown, John Horton, Henrik von Knorring, Sherill Spencer, Jim Raum, Jerry Carden and Andy Owen.

Retreat Set

In the last Inter-Fraternity Council (IFC) meeting, the points system for the Bailey Award was set up. The winners of the scholarship award 300 points will be given to the second and third place winners receiving 200 and 100 points, respectively. The winner is the fraternity with the highest scholastic average, which covers second semester of 1958 and first semester of 1959.

The Alpha Phi-Beta team 43-40 last Monday night in the opening round of the sorority basketball tournament. In the second round the Alpha Phi-Delta Phi continued its blistering pace, besting Kappa Phi Alpha 43-30.

What do you think of the dating situation on campus?
Mary Langford — "What situation?"
Suzanne Cooper — "It's questionable."
Jane Owen — "It's okay, but not enough to go around."
Judy Adcock — "I'm not concerned with the situation on campus anymore."
Louise Ayres — "It's sad."
Emily Mitchell — "Not too good since the girls outnumber the boys."
Sherrill Spencer — "I don't have any complaints. I have all the dates I want."
Wade Aycock — "It's dead, due to no fault of mine."
Belton Edmonds — "If you don't go steady, you don't have a chance."
Jim McDonald — "As a transfer from a strict school, I think it is choice. I like the rules for freshmen girls because it sets study habits."
Ronnie Coulpepper — "Right now I like it, but as far as the girls are concerned, they just aren't enough boys."
Benson Woodbery — "Ah Shucks."
