Field Day Events Set
AKO Sorority On Top

On Wednesday, April 15 everyone abandoned the classrooms to enjoy the various events of Field Day. There was keen competition between the sororities on "the hill." The Alpha Kappa Theta's enjoyed a rather wide margin of victory with a total of 246 points. Kappa Phi Delta came in second with 179 points. Alpha Phi-Delta Phi took third place, although they did not enter too many events, gained 30 points. The first event of the day was tennis doubles between Kappa Phi Delta's Mary Fayre Howard and Linda Woodson, and Alpha Kappa Theta's Emily Rady and Mary Supperry. Mary Fayre and Linda were victorious in both sets. In archery the Alpha Kappa Theta stars captured the three top places. Leading was Suzanne Cooper with first place followed by the Elizabeth Carlock and Janice Townley in second and third places.

Pi Delta's Piki Libby Carlock

Miss Elizabeth Carlock was chosen the sweetheart for Pi Delta Kappa fraternity at the annual Sweetheart Dance held at the Elks' Club Friday night, April 16. She was presented with a bouquet of red roses, and Sandie Daniels, representing the fraternity boys, honored her in song.

The Alpha Kappa Thetas enjoyed many events, gained 30 points. Although they did not enter too many events, they declined to face reality. First Birthday

On Wednesday night, April 22, the Hill-Top News will hold its 1st annual banquet. For whoever will remember the paper as just a wish, it will truly be a wonderful and meaningful occasion.

For seven months the Hill-Top News has grown and developed. It still has much room for great improvements, as has any newspaper worth its salt. But we hope that its contribution to good improvements, as has any newspaper worth its salt. But we hope that its contribution to good

Environmental Problem

When a child is naughty, he is spanked and often feels ostracized from the family group for a time. Obviously, the administration feels that the problem is not so naughtily. Instead, they demand the placing of unsightly signs in the dining hall for guests to see and for students to be reminded of. And, like children who have been playing in the mud and might track through mama’s kitchen, the students are now locked until about four p.m. This new, very annoying aspect of the dining hall operation last year, and one wonders why it must be revived.

Successful Festival

Recently the campus was treated to visits from four rather remarkable people: Dr. William Newcomer, Howard and Marian Thomas were on campus as a part of the annual Fine Arts Festival. Each of these people contributed more than just their own specialty to making the entire program a success. They brought a freshness and a spontaneous warmth that graced the college and made us forget that they were merely "entertainers" and made us feel as though they were friends.

Letter to Editor

Dear Editor,

In regard to a "Letter to the Editor" in a recent issue of the Hill-Top News, I would like to make these comments:

When I failed to observe quiet hours, I was given a demerit.

When I failed to sign out of closed study hall I was the recipient of another demerit.

When I failed to keep my room tidy and left the dust in my bed, another demerit was given to me.

On other occasions when I was not following a "no one is perfect" theory, I was given a demerit by a student government.

I am now the possessor of four demerits, all justly given, all of which I deserved. I fail to see how the student government is incompetent, unjust or unfair. I think the student government has done an excellent job in Turner Hall. "Praise them!" Not! Thank you? Yes, Jim Raum

Alpha Kappa Girls Wins Step-Singing 2nd Straight Year

Alpha Kappa Theta sorority will keep the step-singing trophy for another year as a result of its winning rendition of "Look for the Lighthouse" in the Step-Singing competition on the Quadrangle last Friday.

Under the direction of Emily excuse the group, wearing white dresses with green carnation corsages, in the Sorority, Gamma Phi, Alphaaternity in the opening event of the annual Fine Arts Weekend.

Dressed in typical tailors’ work clothes, the Gamma Phi’s placed second with a lively version of "bloody Mary" from the musical "South Pacific.

The step-singing as the sun went down Friday was sponsored by the Alpha Kappa Theta sorority, the National Conference, Janet Sath- er is president of the group.

In the sorority’s previous competition sang the Alpha Muer following its special selection.

Other groups stepping, their song titles and their directors were "Sorority," "On Harvest Moon," "Boy, Brown," and Sigma Phi Pi fraternity's "Jolly Cookum." Ray Barfield.

Judges for the event were Mrs. St. Jame, Mr. John Barfield, both of LaGrange, and Leonard Wagner, music director of Hoggsville High School. Fr.

As you probably know, the final race on college campuses across the country is the over-laying of telephone booths with as many students as possible. Such an attempt at the University of Georgia has produced surprising results—the University office 15 people have found that in a situation really does have a cramped telephone situation (the booths aren't enough pay phones to go around), so they're considering the idea of having one in each dorm room, $800 in all.

There will be a LC student body meeting outside the telephone booth to announce the results. If you're interested in participating, please come to the meeting.

Informed sources report that without Bermuda socks, why can’t someone else take the place of Bermudas? "I always feel like I’m in a restaurant," said Betty Kapp, of Little Rock, Arkansas. "It’s all right, but I don’t like it."

The Girls in Smith had an additional watchtower, “Watch, water, everywhere... and don’t be seen going down Dr. Henry’s office.” By the time the water battle was over and Dr. Henry got to the head of the stairs, they had already got a good head start. About then they picked up a tune for the worse in the ring of the telephone. What should they do—do—ones like telephone calls or come out of the phone and get caught—hand! One brave soul decided to sneak by and answer it on the ring, only to have it ring long before retrieved from his grasp. This added a new dimension to the already confusing message, as words were written by the power of woman.

There were other activities going on outside decoration for the rock in the Maude Smith garden, and the additions of a block-bath to Blanche Flanders’ room in Pitts.

Meanwhile, back at Camp Gilson, the student government wasn’t having such a dull time of it, either. It can hardly be said that they had a “hot time,” “cause it was PRETTY COOL up in those hills. Just for the record, Dr. Harrington, in a great hurry, “threw a sandwich” from the musical, "Merrily, Merrily, and it’s all right, but I don’t like it."

John Reed, speaking of that combined Greek temple we live in on the back slope of the hill, “I always feel like I’m in a department store bargain basement, main floor, and lingerie on the third.”

Donna Hiers, Faye Combs Head
Campus Literary Publication

The new editor of The Scroll, Miss Donna Hiers, who in a re-
cent election defeated Launi Hay's of Atlanta, is a junior majoring in English
and religion.
She is from Pea, Georgia. This
year she has served as an asso-
ciate editor with the Hill-Top
News staff. She is a member of
the Christadelphian, Student
Christian Association, and Alpha
Kappa Theta sorority. She was a
junior vice president of the stu-
dent government this past year.
Faye Combs from Fairfax, Geor-
gia, the new business man-
ager, defeated Dottie Mann of
LaGrange, for the position. Miss
Combs, also a junior, is an Eng-
lish major. She has been the ex-
change editor for The Scroll dur-
ing the past year. She is a mem-
er of the Baptist Student Union
and of Delta Phi Delta sorority.

The Scroll, organized in January
of 1922, was originally a campus
newspaper. It was then felt that
since the campus was small,
there was no real need for a news-
paper at that time. At the begin-
ing of the 1932-33 school year the
paper was changed to a literary
magazine. The change editor for
The Scroll during those years was
Dr. Jimmie Lee Epps, head of
the Humanities Department and
editor of The Scroll.
This year The Scroll has been
dedicated to Dr. Joseph L. Ko-
bert, president of LaGrange Uni-
versity, for his outstanding con-
tributions to literary character and
good taste.

Mansour's
The Sports Bug

By Paul Bugg

Some weeks ago the faculty and members of the student body engaged in a volleyball game which ended with the faculty as victors. This was the first faculty win in quite some time.

In recent weeks the students have been involved in many volleyball games that brought out the best in this sport. Fraternities and sororities alike provided fans with some very spirited games. The Sports Department of the Hill-Top News has selected an All-Star Volleyball team from the recent activities and would like to propose a return match between the faculty and this all-star team.

The boys selected to the all-star team are: Wayne Copeland and Wallace Brown, Gamma Phi Alpha; Jimmy Johnson and Jerry Carden, Sigma Nu Pi; Glen Harp, Max Griffies, Mickey Reams and John Horton, Pi Delta Kappa.

The girls chosen are: Glyndell Thompson and Joyce Gailey, Delta Phi Delta; Margaret Shearouse and Virginia Stafford, Alpha Phi Beta; B. J. Croom and Marian Chapman, Kappa Phi Alpha; Blanche Flanders and Mavis Sprayberry, Alpha Kappa Theta.

How about it, faculty?

Softball

Interfraternity softball will commence this week, according to the Interfraternity Council. Last year the tournament was won by Pi Delta Kappa but they should have a lot of keen competition as the other fraternities try to take the trophy from them. Each fraternity will play 4 games as opposed to last year's double elimination tournament. The winner will be the team with the best final record. Points are given toward the E. A. Bailey Award.

Did You Know?

BY MARIANNE WHEELCHEL

Did you realize that on what is now the athletic field were once eleven colored houses? That up until 1951-52 there were no parking areas on the hill? That a heavy thicket came almost to the back of the kitchen until a few years ago? And that the last 10 years some remarkable changes have taken place on our "hill?"

Until 1955, the present athletic field was the site of eleven Negro houses located on two streets. One cutting across the field and the other leading to Oconee Street beyond the fence. These two streets were named for Rufus Smith, a former president of the college, and his daughter, Maidee Smith, a long-time faculty member.

The college four years ago bought the property where the houses stood, and sold the houses to their occupants, on the understanding that the houses were to be moved off the field. The roads running by these houses were closed, and the field was graded and became the athletic field.

A heavy thicket used to cover the side of the hill and what is now part of the parking area. While cleaning out this thicket periodically, college janitors repeatedly found jugs and bottles of "moonshine." The occupants of the houses had not been on the hill for a long time, and what was left became part of the parking area. The roads running by these houses were closed, and the field was graded and became the athletic field.
