False Alarm Hits Dobbs

Recently unforeseen excitement occurred on the LC campus when four trucks from the LaGrange fire station came racing up the hill to battle a blaze which turned out to be a false alarm. According to Mr. Austin P. Cook, the incident "puts up the importance of keeping No Parking areas free of cars at all times."

The firemen met with the difficulty of unable to get close to Dobbs Building because of the cars parked in a No Parking zone. Realizing that ample parking facilities are available on campus, Mr. Cook repeats "it cooperation in keeping the fire lanes open for fire equipment, ambulances, service trucks and other vehicles necessary for protection."

GREEK LETTERS

Plans, Pledges and Parties

By JANET SUTHERLIN

The night was Wednesday; the time, almost 10:30 p. m., and an alarm of fire sounded on the LC campus. Soon, however, the spell was broken by the 10 o'clock bell, and then yelling and screams ceased to come from all directions. For one hour there was confusion everywhere and then—it ended. Pledge parties were over, and now LC students had made the decisions indicating the organization they wished to join.

Alpha Phi Beta, one of the smaller sororities, scored the largest victory by receiving 36 pledges. Faye Haney, president, when asked how she felt about her security's being the largest on campus, could only comment, "It's hard to believe."

The fraternity received approximately the same number of pledges, and this year's inter-fraternity competition promises to be quite exciting. The Pi Delta Kappas will certainly have to work hard to retain their position as the top fraternity on campus.

Each year LC gains many stud- ents, but of course there are always some who don't return. Among these were two who had been elected to Kappa Phi Delta offices. Therefore a meeting was held last week to replace Bobbie Jean Cobb, who is studying as an exchange student in France this year, and Martha Middlebrooks, who became Mrs. Jerry Wood- hams on August 21. To fill the positions vacated, the Kappa Phi's elected Ann Gower Vice-President and Julia Jones Historian. A special event of the Kappa Phi-Gamma Phi Pledge Party was the announcement of the fraternity's new sweetheart. Ann Gower a junior from LaGrange, was presented with a dozen red roses and will fill this position from the 59-60 school year. Along with her newly elected sorority office, Ann is House Pres- ident of Smith Dorm and a mem- ber of the Sextet and Choralaires.

Editorial Policy

The Hill-Top News, though not possessing a list of hard and fast rules, does maintain an editorial policy, feeling that such a policy is necessary for truly effective editing.

First, we try to be as objective as possible. In any student-administration faculty conflicts there is bound to be more than one side, and we find ourselves caught between. We try to be as objective as possible.

We do not steer clear of controversy: on the contrary we often have been accused of creating some—but we feel that if an editorial provokes thought, whether it is pro or con, on an issue that has lain dormant too long, it has done its job.

We try to limit our editorial views to problems facing our local campus, unless something happens off the Hill that would vitally affect us here.

We also strive to be constructive as we criticize existing situations that should be remedied.

All in all, we want an interesting and provocative editorial page—one that you will be proud of, even while you are disagreeing violently with it.

You will have a chance to "get in your two cents worth," too. Our "Letters to the Editor" column received a good work-out last year! If you have something you would like to praise, gripe about or comment on, just write to the "Letters to the Editor" and flip it in the campus mail. All letters must be signed, short, and to the point. We'll look forward to hearing from you!

Panhellenics
Make Plans

In the September rush of first meetings, the Panhellenic Council was no exception, for it met last Thursday night in the office of the Dean of Women to formulate the plans and policies of the Greek letter organizations for the year ahead. Each sorority is represented by its president and one other member, while each fraternity has two representatives plus its president on the council. These students plus the Dean of Women, Mrs. Margaret W. Talbott, comprise the organization which seeks to keep things running smoothly among these social groups on the campus.

Trying to equalize the sororities by introducing the present policy of limited bidding and setting the date for pledging are both instances of the Panhellenic Council at work. At its September meeting the members began developing plans for the Fall Formal to be held November 7 in connection with Homecoming, which will this year for the first time be student sponsored.

Mrs. Talbott acts as chairman for the group, and elected at the final meeting last year to serve as Secretary and Treasurer were Liz Deering and Donnie Murphy, respectively. Other Panhellenic Council members and the organizations they represent are as follows: Mavis Sprayberry and Libby Carlock for Alpha Kappa Theta; Ray Barfield, Gerald Becham, Louise Shackle, Andy Borders, Tom Brown, Beverly Childs, June Childs, Michelle Clifton, Elizabeth Coleman, Sylvia Cowan, Bryan Dobbs, Kathryn Erwin, Sherric Parray, Lee Garrett, Ann Gower, Anne Grahal, Martha Green, Max Griffies, William Griffin, Phyllis Hairston, John Hampton, Faye Haney, Clare Harris, Dorothy Heath, Ralph Heller, Wayne Hilliard, Orion Hunt, Charles Jones, Ann Kerce, Ted Key, Holly King, Joyce Lancaster, Deloris Lester, Sandra Lovvorn, Fred McDrayer, James McDonald, Leona Madden, Jackie Miller, Donald Murphy, Allen Pincon, Dianne Scott, Janet Sutherland, Ann Swanon, Donald Tafman, Donald Thomas, Claire Walker, Ann Wheeler, Marianne Wheeler, Richard P. The office for the Choralaires are President, Deloris Lester; Vice-president, Janet Sutherland; Secretary, June Childs; Treasurer, Gerald Becham; Librarian, Clare Harris; and Wardrobe Chairman, Claire Walker and Max Griffies.
