Campus Ceremony Monday To Honor Historian Phillips

The anniversary of the birth of a famous Historian will create history on the LaGrange College campus next week. Noted scholars and government officials from state and city will gather to honor Dr. U. B. Phillips, native of LaGrange, Historian, author, and teacher, in a ceremony to be held on Nov. 4 at 11:00 a.m.

Monday's ceremony will commemorate the 80th anniversary of Dr. Phillips' birth. Speaking at the occasion will be Dr. Bell I. Wiley of Atlanta. Dr. Wiley, who is a professor of history at Emory University and a well-known author of southern history, was a former student of U. B. Phillips. The ceremony will be held on the quadrangle of the college campus.

Dr. Bell I. Wiley

Invited to attend the occasion honoring Dr. Phillips are the Governor of Georgia, Carl Sanders; Lt. Governor, Peter Zack Geer; Secretary of State of the State of Georgia, Ben Forteson; Secretary of State of the Georgia Tech, Emory University, and the University of Alabama.

A number of historians of national and international reputation have also been invited to attend the ceremony.

The mayor of LaGrange, James Gallant, will officially receive the marker commemorating Dr. Phillips' birth from a representative of the Georgia Historical Commission.

Dr. C. Lee Harwell, dean, this year's LaGrange College representatives in Who's Who are Cynthia Teri Bennett of Deactar, Alfred Willis Brown of East Point, Frances Virginia Crawford of Blue Ridge, Judy Thompson Series Slates Brooks Hays For Talks

By Janet Taylor

The Honorable Brooks Hays, Special Assistant to President John F. Kennedy, will be on the LaGrange College campus Octo-ber 31 - November 1. Mr. Hays, who is the speaker for the Arthur H. Thompson Lecture Se-ries, is a native of Russellville, Arka. He received his B. B. de-gree from the University of Ark-ansas in 1919, and for many years he received his Bachelor of Law degree from George Washington University at Washington, D. C.

After two unsuccessful guber-natorial campaigns, he was elect-ed Democratic National Commit-tee Chairman in 1934, carried the majority of the state's 75 counties. In 1938, he was re-elected to this position. Mr. Hays has been a leader in the extension of educational and economic opportunities for Ne-groes in the South and has taken an active part in inter-racial or-ganizations. It was his interest in creating understanding be-tween the races that led him to

Schedule Change Set For Monday, November 4

Classes usually held at 11:30 will meet at the 10:00 o'clock hour on Monday, November 4. The only exceptions to this will be those science and art courses which normally meet for two hours on that day. This schedule change will per-mit a larger number of stu-dents to attend the U. B. Phillips memorial program to be held on that day.

Special Recognition Given To LC Campus Leaders

Nine outstanding LaGrange College students, all seniors, have been nominated for listing in the 1964 edition of the national publication, "Who's Who Among Students in American Universi-ties and Colleges." The listing is recognition by students and faculty of the student leaders' participation and leadership in academic and extra-curricular activities, schol-arship, character, personality and promise of future usefulness.

President Henry To Be Gavel Rapper In College Rummage Sale

Dr. Henry, president of the college, is going to take on a new job sometime in the next week. Mounting the soap box and taking gavel in hand, Dr. Henry is going to become an auctioneer. The president will be wheeling and dealing, fast talking and raising prices at a college rummage sale which is scheduled for the near future.

Up for sale will be items that have collected in college classes and storage rooms over the past weeks, months, and, in some cases, even decades.

Clothes racks, plates, silver, shoe racks, picture frames, tables and towels are a few of the items which will be up for sale. The proceeds from this sale will be used to buy and to repair furniture which will be used in the Smith parlor.

The listing is recognition by students and faculty of the student leaders' participation and leadership in academic and extra-curricular activities, scholarship, character, personality and promise of future usefulness.

Harrassed And Hungry Student

It came and went and I for one am so glad that it never comes back. I am referring to the "band" that played at the Homecoming festivities.

The "band" was certainly a first: the only dance band in history to play four consecutive pieces and for no one to dance. To say the least, the members of the "band" were a few years behind in their selection of pieces. They, the "band", must have come directly from a 1920s speakeasy.

I don't know how much it cost to get the "band", but I certainly think that we are due for a refund ... say a 90% one! The pulse box in the student center would have been a welcome substitute for the "band".

It was unfortunate that a better selection could not have been made which would have included a band ... for we certainly got a lulu! Perhaps in the coming years it would be good to get accurate references concerning the band that is being chosen. A possible alternative could be to have the students who have been a part of the band in advance. If these things were done, the fiasco that happened this year would never happen again.

Slipped.

A DANGEROUS STEP

"I almost killed myself", said Bill Minningham after a near fall on the steps which lead from the cafeteria to Turner Hall.

On several occasions students and faculty who use these steps daily have issued complaints concerning the hazardous condition of the steps.

The individual steps are not level but slant downward, offering only unsure footing to those walking downhill from the Hill to Turner or Broad Street dormitories. The steps, according to some students, are even more dangerous when it snows. One coed stated that even now some of the girls actually walk completely around the drive to avoid the steps.

One of the faculty members stated that he had received several complaints concerning these steps, even from visitors.

After talking to Mr. Cook, business manager at LaGrange College, it was learned that the steps had been done over once before due to the poor workmanship that went into the first steps that were built.

The question was raised as to why, with all the work going on around the campus now, we simply do not utilize it on these steps? According to Mr. Cook, we simply do not have the money. He stated that the Administration knows of the danger of these steps, but at the present could do nothing.

Building steps would require a large sum of money, as the old steps would have to be removed before the new work began. A hand railing for the present steps would be useless as they would only be useful until the steps were replaced and could not be set up on a permanent basis. Here again we run into the problem of money, said Mr. Cook.

The majority of money used around the campus comes from donations from people who usually specify how they want their money spent. An amount appropriated for one project cannot be spent on another. The money for all the improvements now being made on campus was given by a group of businessmen in LaGrange strictly for that purpose.

Mr. Cook emphasized that the condition of the steps will be corrected as soon as possible.
Conservative Trend Healthy, Says State Official James L. Bentley

By John White

"I think the growing conservative trend is in the national interest," said Georgia Comptroller General James L. Bentley Jr. in an interview with the Hilltop News.

Bentley, on the LaGrange College campus, gave the 1963 Homecoming address last Wednesday, praising conservative thinking in government and business.

"We've seen a very liberal trend in this nation," Bentley said, "and to me it's a very wholesome thing that there is now a growing conservative thought on the nation's campuses."

Bentley, executive secretary to former Governor Herman Tal-madge, said in response to a question about Sen. Talmadge's political views, 'I think his views are far more flexible than 12 years ago." The Comptroller and served last year as president of the Women's Athletic Association. At Honor's Day program she was recognized for outstanding academic standing. She is also a member of the Student Christian Association, Spanish Club, and Kappa Delta sorority.

Noel Lynn Smith, a major in business administration, is currently serving as president of the Student Government Association. He is a member of Gamma Phi Alpha fraternity.

Donnie Joe West is majoring in English and history. He is currently serving as president of the Student Christian Association, vice-president of the President's Ministerial Association, treasurer of the Wesley Fellowship, and chaplain for his fraternity, Sigma Nu Pi. He is a member of Circle K and Pi Gamma Mu, national honorary social science organization.

LC students as well as students from other colleges for their conservative thinking in government and business.

THIS WEEK IN SPORTS

Football During Week Brings No Rating Change

By Clark Stone

Gamma Phi and Sigma Nu battled to a 0-0 tie last week in a Sigma Nu attempt to secure seats with Gamma Phi in the lead position. A Sigma Nu win would have put both teams in a tie for first place. It was Sigma Nu's defensive backs and Gamma Phi's charging defensive line that dominated play. Sigma Nu intercepted four Chuck Nixon passes, two by Charlie Knight, and one each by Billy Joe Hyatt and Jerey Moore. While Chuck Nixon did manage to pick off one Sigma Nu pass, it was the line that stood out. Ted Alford, Sigma quarterback, was caught for losses on seven plays.

In the second half Gamma received and on the first series of downs Hyatt intercepted a pass, putting the ball just inside Gobbin territory — the closest Sigma Nu had been in the game, and the closest they were going to get. After Alford was caught for a ten-yard loss Nixon intercepted a pass, forcing a kick and beginning Gamma's last chance.

A completion to Lowrey Tillison and Witcher placed the ball inside the 20, but an offensive interference penalty moved the ball back to the 33. Gamma came back and hit Smith again inside the 20, but Sigma Nu's Jerry Moore got a hand on the next pass and saved the day for Sigma.

Goblins Still First

Gamma Phi remained in first place after a scoreless tie game with the Pi Delts on last Thursday afternoon. The Goblins of Gamma Phi were quarterbacked by Chuck Nixon and Bobby Witcher. Witcher did an excellent job of running his plays.

Ted Whitman was the quarterback for the Pi Deltas.

During the second half it seemed that both teams were about to score but both faltered when either their plays ran out or ball possession was lost because of an interception.

LaGrange Theatre To Present Films Dealing With Heritage Series

It was announced today by Mr. Bob McCall, manager of the local theatre, that "A Tale of Two Cities" would be shown on Wednesday, November 6. He said that if this show is a success he would show other selections of the "World Heritage" series, released through Metro-Goldwyn-Mayer, which includes such titles as "Captains Courageous," "The Good Earth," "Judges Casar," "Little Women," and "Kim." McCall went on to say that he could arrange his schedule of these movies to correspond with the progress of the local literature classes on the Hill.

Alpha Phi's Win Gam

One of the longest losing streaks in LaGrange College history was terminated last week when Alpha Phi Beta defeated Alpha Kappa Theta 8-11, 11-4, 15-9 in intramural volleyball competition.

For the victorious Alpha Phi's this was the first win since 1961. On the season they are now 1-1, losing the season opener to Kappa Phi. Alford was caught for a ten-yard loss Nixon intercepted a pass, putting the ball just inside the Sigma 20, but Sigma Nu's Jerry Moore got a hand on the next pass and saved the day for Sigma.

Hays... (Cont from Page 1) arranged the Newport Conference between Governor Orval Faubus and President Eisenhower at the time of the Little Rock school desegregation crisis. This was the principal issue in the eight day campaign which resulted in his defeat in November of 1958 for re-election to a ninth term of office as Representative of the Fifth Congressional District of Arkansas.

Because of his outstanding ability as a storyteller, he is greatly in demand as a public speaker. Mr. Hays is author of "This World A Christian's Workshop," "A Southern Moderate Speaker", and co-author of "The Baptist Way of Life."

His political activities have included seven terms as Congressman, a member of the United States Delegation to U. S., and a member of the Select Committee on Space Exploration and Astronautics. In 1961, he became Assistant Secretary of State for Congressional Relations and then was appointed Special Assistant to the President.

Wherever you're going...
