ROY ORBISON AT LC

It has been announced by the Student Entertainment Committee that the pop singer Roy Orbison and his Candy Man will appear at LC's Homecoming '64 on October 31st.

In the announcement it was pointed out that this is the first for LaGrange College. If it is a success there will definitely be other such top names appearing here.

Because the cost of such a name as this is so high, the dance will be open to the citizens of LaGrange. It is felt though that this fact will make the event much more of a success. Patrons are to go on sale Monday at $3.00, which will include all refreshments and also have the complete cooperation of the facilities and also had the U.S. Senator to appear.

The Senate of South Carolina, once a Democrat but now a Republican, have jointly announced that Senator Thurmond will visit LaGrange College on Friday morning. Earlier in the week Senator Thurmond will turn out to hear him and to shake the hand of such a man of conviction.

Dr. Watts G. Henry, President of LaGrange College, will speak on "College A Place for Mature Students," at 7:00 p.m., at Fling Lake, sponsored by the Student Faculty Convocation. Together Reverend Burgess and Mrs. Roughton present a moving drama.

All students and faculty are invited to see this presentation, Wednesday, Oct. 7th.

'64 Ratting Concludes With Mixed Emotions

BY JERRY BEASLEY

Once again ratting has come to its close on the hill, and the success of it has been met with mixed emotions. This year there seems to have been a few conflicts with the rats and their sophomore cats, but most of the problems were ironed out before "Rat Day" on Saturday, October 3. This trip went over very well, and I hope the Freshmen as well as the entire student body has been pleased with the results. We were a little...

Confused on page three

ratting with the good "yes sir" and no complaining attitude." Those events, bad and good, both led to a day of suspension. At this point I was really discouraged with their showing and I felt they had made the decision is only a part of Thurmond's tour with Senator Goldwater return our nation to truth and right more, and I felt they had made the decisions to continue.

"After this day of suspension, the meeting was called by the Freshman class and they unanimously voted to continue convocation. The student-faculty convocation will be at 10 a.m. Wednesday in Dobbs Auditorium. Dr. Watts G. Henry Jr., college president, will preside.

All students and faculty are invited to see this presentation, Wednesday, Oct. 7th.

U.S. Senator To Appear

BY DAVE LINTON

John Clarke, President of the LaGrange College Chapter of the Southern Student Congress for Freedom, and Mr. Arthur Harris, manager of the concert, have jointly announced that Senator Thurmond will visit LaGrange College prior to going to Athens to do extended graduate work.

Senator Thurmond, in his portrayal of The Christ in the Sermon on the Mount, gives an impressive and meaningful interpretation and is widely acclaimed across the United States not only for this portrayal but also for his portrayal of the Christ in the Last Supper.

"I feel that my judgement regarding ratting could not be fair until it was over entirely. I do think that from my view point this Freshman class had it all their own way. There were some minor complaints.

"But, with all these benefits, to me, their spirit was turned toward harmful, disgusting, and ridiculing spirit rather than the innocent girl to know one.

"This sarcastic feeling presented in their class was not shown by all. And still, some days, all participated in the expanding tide of socialism in our government at the sacrifice of personal gain. The students at LaGrange College should be greatly honored. The fact that Senator Thurmond will visit LaGrange College is enough to make us out of LaGrange 

Student Suspension

"of course Rat Night and then Rat Court were carried out and followed by the usual party and the cheers. The Giant Owl is a student publication. This I hope the Freshmen as well as the entire student body has been pleased with the results. We were a little...

Another Step Forward

On the 31st of this month Mr. Roy Orbison will be here for Homecoming, '64.

Having a popular singer such as this is a first not only for LC but also for the City of LaGrange.

Right now this singer is not only Number One in the nation but also Number One in all of the international popular music polls.

For a number of years now LC has often asked why it could not have name singers and bands here.

This question has finally been answered in the form of Mr. Roy Orbison.

The Hilltop News thanks and commends the people that made this answer possible: Dr. Waights G. Henry; the Trustees of LC; Mrs. Carolyn Burgess, Director of Alumni Activities; and to Dr. Michael Brown, President of LC's Alumni.

This is a real step forward for LaGrange College.

Again, THANKS! ! !

A Continued Tradition

Battling ended Saturday in LaGrange's Court Square.

The Hilltop News thinks that the Sophomores were probably just as glad that it was over as the Freshmen, for everyone seemed completely exhausted.

On the whole, everyone seemed to have had a good time. Of course there were the songs, infections, letters, shampoos, make-up jobs, costumes, and many other "stunts."

But perhaps "the worst is yet to come" didn't come after all.

Freshmen have experienced a part of the life on "the Hill," and the memories will live with them for years to come.

Next year will be their turn to change the "c" for rat to "c" for cat, and no doubt they will experience the problems along with the fun.

It is up to you, the Freshmen class, to carry on the tradition.

Democrats Also Welcome

The Hilltop News has announced the coming of Senator Strom Thurmond, who, of course, now is a Republican.

The paper takes this opportunity to state that it will be happy to provide equal space to a personage of the Democratic Party if one is obtained to speak at LC.

The administration has also stated to The Hilltop News that it heartily welcomes anyone from the Democratic Party to visit at LC.

Professors May Dismiss Classes If Desired

The following statement was released by Dr. Waights G. Henry, President of LaGrange College, concerning excuses to hear Senator Strom Thurmond on Friday, October 31st: "When Mr. Strom Thurmond visits LaGrange be welcome to this campus as is any other visitor. Because of his distinction as a political leader in the South, the administration is going to allow projected classes to hear him. It is the individual professor's and their classes' privilege to do so. The Dean concurs in this position."

An Eventful Month

The following statement was made by Dr. Waights G. Henry, Trustee of LC:

"Senator Strom Thurmond is a man of much influence, but unfortunately as the case may be, he has recently changed his party affiliations. Although his visit to LC is a purely political one, we on the hill should feel honored that LaGrange College is included on his tour through the South.

Roy Orbison, as we mentioned before, the number one sound across the country, has been invited to take the spotlight in this year's Homecoming. Mr. Orbison's crowning, added to the many other Homecoming '64 activities, should make this year the most outstanding Homecoming LaGrange College has ever had.

The facts that such a man and will be on the LaGrange College campus in one more bit of evidence to show that LC is on the move to make it one of the best known liberal arts schools in the South.

Mickey Johnson

Communists Are Blamed For Almost Everything

The Warren Commission report on the assassination of President Kennedy has finally been released and, as was expected, it came up with nothing new. It pointed out that Oswald acted alone in his slaying of Kennedy, and that Jack Ruby was like many on the scene, "he was acting on his own when he blew Oswald.

This must be a great disappointment to those who like to blame things on the Communists.

I'm not taking up for the Communists, but it has always been dangerous for too many people are in positions to put the blame on someone else.

Oxley Talks of Roy Orbison

By Dave O'Day

Student Homecoming Chairman

Homecoming for 1964 is fast approaching and just pick 50 weeks away, this year's homecoming "Homecoming '64" is really the prelude to the biggest, the best, and the most entertaining that this college campus has ever witnessed.

Last year's Homecoming Highlight was the first annual Homecoming Parade. This year's Homecoming Highlight will be a bigger and better invasion of the Campus Dancing featuring the talented No 1 top singer, Roy Orbison and his Candy."
Campus Meeting

Times Assigned

A schedule for meetings of the various campus organizations was released last week from the dean of student's office.

In releasing this schedule, Mr. Sullivan, dean of students, said: "We have tried to set aside time for your organization in order that you can meet, but we want to be certain that meetings will not have conflicting meetings at the same time. This is protected time."

Mr. Sullivan also emphasized that in order for the system to work, it is vital that each organization cooperate completely.

Mr. Sullivan also mentioned the following points: the most extreme situations if a group feels a change is necessary, a request can be made to the Student Affairs Committee through his office; meetings are not to be called at a time when no other group is meeting; all college functions such as concerts, lectures, etc., where attendance for all students is encouraged, will have precedence over any scheduled meeting; and that if a group wants their meeting shown on the weekly calendar, the information must be in the dean of students office by Thursday afternoon.

This chart shows the times assigned to the various groups to hold their meetings.
Barbecue Helps Pay For New Bus

BY HAROLD TARPLEY

The bus presented to LaGrange College by the LaGrange Moose Lodge is something "needed for a long time. It will help solve transportation problems for the basketball team," said Coach Al Mariotti in a recent Hilltop News interview.

The price of the bus was approximately $8,400.

On November 3, L.C. students will have a chance to show their appreciation to the members of the Moose Lodge. Pete McElroy, noted for his fine ability to bar-be-que, will be in charge of a bar-be-que which the Moose Lodge is presenting to help pay for the bus. It will be at the Elks Club, and serving will continue from 6:00 to 8:00 p.m. as long as supplies last.

Tickets will be available from Coach Mariotti at a date to be announced.

Cheerleader Tryouts To Be Wednesday

Anyone interested in going out for cheerleading should meet in the Gym at 6:30 Wednesday evening. At this time you will be given a list of rules the cheerleaders must abide by in the coming year. Some of the cheers will also be done so that everyone will get an idea of what to expect.

Please be there and on time. Remember boys as well as girls are needed so come on down.

INTRAMURALS BEGIN TODAY

Goblins Facing Sigma Nu

By John Carter

News Sports Writer

Football Intramurals is about to begin with the first two games this week. Tuesday Gamma Phi takes on Sigma Nu. This should be a very exciting game, for the Goblins are the defending champions and would like very much to do it again this year.

Thursday Pi Delt will meet Sigma Nu for another thriller. Last year Pi Delt finished second in Foot-ball Intramurals and would like very much to take the title away from the Goblins.

This year the rules have been changed to some extent. Instead of touch football the fraternities will be playing flag football. This will prove to be a much more exciting game because there can be more ground play.

In the past, passing was the main objective. This year the season should be tougher and rougher because of the running offense.

It is hard to predict a winner with the running game but I feel that Pi Delt will have the running speed this year. Gamma Phi will have the passing team and Sigma Nu should come up with some hidden horses to touch off the season.

Everyone please come down and support your team to victory.
