When江s: Jack Culpis, Chris Corley, Jean Jackson, Maxine Plaxton, Lane Tolls, Mildred Edson, Nancy Ramaby, and Cheryl Mofluf

Barbecue Scheduled For Election Day

The LaGrange College Lodge is sponsoring a barbecue extravaganza election day, Nov. 3, 1964. The affair will be held from 11:00 a.m. to 2:00 p.m. on the grounds of the LaGrange Elks Club.

The primary purpose of this event is to help pay for the $8,400 bus the Moose Club gave to LaGrange College. Tickets are being sold for $3.25 per plate and are available from Coach Al Mariotti. The Circle K Club will also have tickets for sale.

Coach Mariotti said, "A fine way of showing our appreciation for this wonderful gift would be to purchase as many tickets as possible for this event."

Coach Mariotti also mentioned that though the main function of the bus is to transport the LaGrange College Panthers to all their out-of-town basketball games, the bus is also available for the use of any department in the school.

LC Professor is Consultant to Army Schools

"(LCM) - Dr. Sarah M. Davis, associate professor of education at LaGrange College, has been appointed as a part-time consultant to the Fort Rucker (Ala.) schools."

"Once commenting on Homecoming activities was Dean Harwell. "I am looking forward to Homecoming and I'm very happy that we are going to have Roy Orbison, I think we are headed in the right direction, and I feel sure the faculty and staff will look forward to the occasion. We will be on hand to greet individually and by classes the returning alumni.""

Roy Orbison Entertains At Concert-Dance

BY JERRY REASLEY
News Staff Writer

This week-end will mark the high-light of the year for LaGrange College. Homecoming will officially begin at 9:00 a.m. on Saturday, October 28, with the registration of alumni. There are many activities planned, which will continue until 10:00 a.m. of that day. After alumni registration, there will be an alumni business meeting led by Mrs. Burgess, registration of students, opening of the Homecoming Queen and the parade will follow. Next Alumni alumni. The biggest of the events, Mr. Roy Orbison and his band, will be performing at the Homecoming "64 dance at 8:00 p.m."

"Some of the local alumni clubs have contributed money, making it possible for the first time to give prizes for the floats. First prize will be $50 and a trophy, second prize, $25; 3rd prize $15. There will also be a $15 award for the best-decorated car. The alumni are happy to make these prizes available."

Also commending on Homecoming activities was Dean Harwell. "I am looking forward to Homecoming and I'm very happy that we are going to have Roy Orbison, I think we are headed in the right direction, and I feel sure the faculty and staff will look forward to the occasion. We will be on hand to greet individually and by classes the returning alumni."

One of the real workers behind such events as Homecoming is Mrs. Carolyn Burgess, associate professor of education at LaGrange College, who has been appointed as a part-time consultant to the Fort Rucker (Ala.) schools. Dr. Davis will assist the redbeds at the army installation in a year-long study program. Purpose of the program is to prepare for a school evaluation by the Southern Association of Colleges and Schools.

Dr. Davis will make periodic visits to the Fort Rucker schools throughout this academic year.
A Panther For LC

The Freshman class is kicking off a drive this week to obtain a mascot for LC. The mascot will be in the form of a fibre glass or a stuffed life-like panther.

The cost of this mascot will be high (about $500). The Freshmen have picked a good time to start their drive in that the alumni will be approached to donate.

But it will take more than the alumni's donations to pay for this panther.

The Hilltop News heartly endorses this project and urges LC's students to do the same by subscribing and to hold The Atlanta Times, Michigan Students Approve New Trimester System.

A Need Not Met

It has been brought to the attention of The Hilltop News by a number of people on campus that a demand of a rather minor item is not being met by our library.

In the past weeks the library has received requests to subscribe and to hold The Atlanta Times, a daily afternoon conservative newspaper.

At the present time our library is not subscribing to a large metropolitan afternoon newspaper. A subscription to the Times would fill this void.

But of a greater importance, the subscription would offer the students of LC the opportunity to come in contact with a conservative voice.

It is our feeling that the library should have been receiving this paper since its first date of publication. In not doing so the library has failed in its purpose by not offering its patrons an area metropolitan afternoon newspaper.

A First; And More To Come

Saturday night is the big night here at LC, Roy Orbison and his Candy Man will be here for LC's benefit show.

Orbison is the first in what will be a long line of same-entertainment to come to the LC campus. Plans are already being made to arrange a big dance in Winter Quarter. Although nothing has been scheduled yet there will probably be an announcement about entertainment before this quarter is over.

Other smaller dances are also in the stages of planning. The Student Entertainment Committee is now working on scheduling a closed dance (for LC students and guests only) on a Saturday night following a Friday night ball game this making a big weekend. Of course, for this event the admission fee would be kept at a minimum.

Future plans also call for another big event in Spring Quarter, but nothing yet has been scheduled.

All in all, at least in the entertainment field for LC, it looks like a busy and big year.

Michigan Students Approve New Trimester System (ACP) - Nearly 80 per cent of a large sampling of students at Western Michigan University,Kalamazoo, reacted positively to the proposed accelerated university program expected to go into operation in the fall of 1965.

In all, 5,000 students were questioned. Of those, at least 3,200 selected for information on attitudes regarding the proposed trimester or split-three term plan.

Under the trimester plan, the first term would begin roughly from mid-September until Christmas vacation, the second term from January into April, the first half of the "split" part of the term from April until early in June and the second half from June through August.

Sixty-four per cent of the students selected indicated a desire to attend at least 3½ terms a year under the accelerated program. Nine of ten students said they would attend the spring half of the split term and 7½ per cent said they would expect to attend the summer term, too.

Of those who would not attend a fourth term, 22 per cent indicated the lack of money would be the primary reason. Nearly one of every three students polled said they worked all year while going to school, 9 per cent worked part time as much as half of the money needed for school.

Money: Yeah Man!

BY MICKEY JOHNSON

Have you ever pictured scenes of the crowds that greet rock 'n roll singer? You know, the screaming mobs of girls who throw caution to the wind just to get glimpses of their favorite screamers? Of course you have, and I too but I have never actually been in a situation to observe this phenomenon first-hand until recently.

During the opening of school, I had an occasion to attend the WHAM Fall Show in Montgomery, Alabama. Featured that night, along with the well- known names were The Beach Boys, and the girls were cut loose to utilize their emotions and devotion.

After careful observation, I concluded that the technique is the same: (1) Close eyes, (2) Put hands on ears, (3) Throw head back, (4) Scream.

There were variations of course, but the basic technique is the same.

One young lady who was all of 14 lamently told me that if she didn't get Mike Love's (a Beach Boy) autograph that she would "just die." After listening to her screams for a solid half hour, I started to ask her if that was a promise, but I restrained my curiosity, stopped being a column, signed Mike Love, tore his photograph back, and gave it back to her. She didn't die.

Why they do it, I know not. I dare not venture a guess. It appears, though, that they place themselves in the same emotional state that some of the more religious cults do, but in some cases these religious people could take lessons from them.

After the concert (and I use the word loosely) I asked one of the Beach Boys if he minded all the screaming. In a true intellectual fashion, he answered: "Mind it, man? Why, daddy, they but the records, and I LOVE money!!"

LETTERS TO THE EDITOR

A Challenge Is Accepted

TO THE FRESHMEN CLASS: I would like to take this chance to thank the freshmen class for their support in the election. I will do my best to uphold the reputation of Vice President.

Thank you, Tony Martin

Thanks to the freshmen class: I would like to express my appreciation to the members of the freshman class for their support in the recent election. I assure the freshman class that the duties of treasurer assigned to me will be carried out to the best of my abilities.

Circle K Week Now In Progress

This week promises to be a big one for the LaGrange College chapter of Circle K International. Hugh Cor-

ness, local chapter president, has an-<br/>
ounced that this will be Circle K week at LC.

Kicking off the week will be a campus-wide clean-up cam-

with particular emphasis on the student centers. With the aid of posters and individual effort, the local Circle K mem-

bers hope to get the student centers clean, and keep it clean for the rest of the year.

Highlighting this week will be a laying ceremony Wednesday in chapel, Corness reports that the chib is presently consider-

a member of the local club, and will be

a student must have a 2.5

the club is presently consider-

to be the Homecoming Chairman, Dean Cray.

The event will be held in the Student Center, and tickets will be sold at the door. Admission is open only to current student members. Those holding tickets although season tickets will be on sale at the door.

The Atlanta Symphony Or-

chestra, known only in its fourth season and maybe rivaled as one of the top twenty-five major or-

chestras in the United States, has recommended by a member. President Hugh Cor-

been hand-picked locally, equal-

ly as many have been attracted to Atlanta from far afield by the Orchestra’s growth and the reputation of its gifted con-

certmaster. Three or more have come from such distant points as Canada, and one member came from Toronto. A look into the musical background of the personnel would reveal a list of the finest conservatories.

Home Coming Continued

reed on beauty, poise and per-<br/>

be the judges will be Mr. Don Owens, editor of “The West Pointer”, official maga-

zine for the West Point Man-

trying to dress for Homecoming, the Hilltop News interviewed the Homecoming Chairman, Dean Cray.

CD stated that dress wax to be semi-formal. This means simply a coat and tie for the men, no tuxedos and while jackets are required.

since this is a semi-formal dance, flowers or corsages are not the custom.

Weekends Can Mean More Tempting Food

LaGrange College students have had an opportunity for some time that they have not been availing themselves of perhaps because they weren’t aware of it, or because they are indifferent to any other which benefits them.

Mr. D. J. Evans, Campus Chief cafeteria manager on campus, said that for something, a significant effort has been placed at the end of the cafeteria line for students who are leaving for the weekends.

The purpose served by this procedure is the better management of food service funds, this would enable Mr. Evans to prepare better meals on weekends with the money saved.

Those who sign up for a week end will naturally miss the bene-

ficiencies of their effort that partici-

cular weekend, but eventually there will be a weekend when they will be here. Then they will appreciate the good ser-

vice they have made possible for others.

A student who has been involved in keeping the animal and other complications. Pointed out that it is impossi-

ble to purchase a live panther because of the problems in-<br/>

olved in keeping the animal and other complications.

The class will buy a life-

note that will be made of fiber glass or one that is stuffed. The cost is anticipated to be near $100.

Containers for your "penn-

lives" (dollars are acceptable) will be placed in the library, the student center, the cafet-

eria, and in all the dorms. The Freshman class will also sponsor a Sock Hop after the first basketball game to raise money for the panther. The class invites everyone to co-operate and support this panther project.

College News Briefs

It was reported last week by Lowery Tillison, SGA Presi-

dent, that Wednesday’s fund drive for the United Fund in Chapel netted approximately $700.

The Art League meets to-

ight at 7:00 p.m. in the Art Lab.

A Junior Class meeting will be held tonight at 8:00 p.m. in the Bailey Room.

The Student Christian Asso-

ciation meets Wednesday night at 7:00 p.m. in the Bailey Room.

There will be a Bible Study Prayer Breakfast Thursday morning at 7:00 a.m. in the front section of the Library.

Pan Hellenic meets Thursday night at 8:30 p.m. in Mangels.
