This year Pi Delta Kappa Fraternity and the campus blood drive were off to a flying start. Although last year's drive was a success, it may have been held off for the best support to the blood drive on the LaGrange College campus. Of the sixty pints of blood donated, Pi Delta Kappa was first, followed by Alpha Phi Delta, Alpha Kappa Theta, Alpha Chi Omega, Pi Delta Kappa, Gamma Phi Alpha, and Sigma Nu Pi. The other seventeen plots were given by students not associated with a fraternity or sorority.

The President of the Student Government Association, Larry Tullis, commented on the fact that this year's response to the blood drive was not as great as it was last year. "All things considered, I think that it was a good drive. Last year the fraternity and sororities already had their pledge drives over, and the blood drive, I think that if this had been the case this year, more blood would have been given. In addition to this, it was mid-term and Homecoming week and people were too busy. However, if possible, the blood drive at LaGrange College will be in January,"

Methodist Pastor is Chapel Speaker

Dr. Garnett Marion Wilder will speak in chapel tomorrow. He is serving as minister of the Woodstock Methodist Church in Augusta, Georgia. He is also assistant director of General Church School and Adult Work for the Augusta District.

Dr. Wilder attended Reinvest College and the University of Georgia where he received his B. A., degree in history. He attended Chandler School of Theology and received the Bachelor of Divinity degree from the Southern Baptist Theological School. His dissertation is titled "The Evangelical Theology of Edwin Lewis." Homecoming '64 can definitely be termed a big success at LaGrange College. Everyone was taken aback by the turn of events. I was too, and the events went according to schedule as planned, and the Homecoming support was practically everywhere.

Many old alumni returned, and in their faces could be seen the impressions that Progress makes. One lady remarked that "I wouldn't believe I was on the LC campus if I didn't know it was true." Some of the old grads dated back as far as 1900, and they were definitely proud of their alma mater as they looked around. There were seen a few tears, as memories of the past came flowing back.

One of the biggest events of the day was the crowning of the Homecoming Queen of LaGrange College. This year's selection was pretty Miss Elviva Parke, a 20 year old junior from Wrightsville, Ga. Homer-up songs started and after three placings Miss Diane Aldridge, second, placed, and Miss Viola Johnson, first place, Miss Lane

LaGrange College Holds Blood Drive

An Asset To Pep

LaGrange College's new Pep Band made its first appearance Saturday afternoon at the Alumni-Panther Basketball Game.

There were a few rough spots but in all it was a very impressive debut.

It is surprising to see the array of instruments that Dr. J. D. Anderson has mustered to fill his band.

From The Hilltop News, our compliments to Dr. Anderson and his group for having the initiative to bring to LC this type of organization. It will be a real crowd pleaser at the ball games.

An Editorial Follow-Up

Clocks Still Running Wild

BY SHEREE NEGER

Once again, the students on "The Hill" ask that something be done to set the campus clocks. For the past six weeks, the clocks have had times varying as much as eight hours from the correct time. This difference in the clocks oftentimes causes students to be late for classes. This writer is certain that the faculty members do not enjoy having students interrupt class discussion by coming in late.

One family member suggested that a person (perhaps a student) be delegated to check the clocks once a week to ascertain that the times are correct. No deviation would then be reported to the Maintenance Department. This person would be one who has relatively few other responsibilities and, therefore, would be able to handle his job efficiently.

Mr. Fowler, head of the Maintenance Department, summarized the difficulty in a recent interview. He apologized for not having the clocks fixed for Homecoming, but stated that there were too many other important things to be done.

By having another person to handle this problem, Mr. Fowler would be free for more important responsibilities.

In talking with some of the students, this writer encountered many methods of expressing opinions, but the opinions from this end were awarded to Mr. Fowler.

From This End,
It Was Worth It

BY DREW LINTON

Well, Homecoming '64 is gone. It can and will be easily termed a success.

Making it a success were three new innovations introduced into this year's Homecoming. For the first time the Homecoming Queen was awarded a trophy, substantial prizes were awarded to float winners, and entertainment of the highest caliber was presented at the Homecoming Dance in the form of Mr. Ray Orfisone.

But, of equal importance to the success of Homecoming, we can add the excellent weather we had on Saturday, an enthusiasm that was spontaneous among students and alumni alike, the increased interest displayed by the local alumni chapter, and we could go on and on.

We must not forget though the many hours of planning and work that many individuals put into this event. From the president of the college to the president of the Greeks, from the members of the Student Entertainment Committee to the members of the classes, from the professors to the maintenance men, everyone gave their all.

It took many hours, the majority of them late at night, by many people, in some cases individuals; then again a whole group, to make this Homecoming a success.

From this end it was very well worth it.

These pictures were taken in sequence from left to right. The first is the master clock which is supposed to co-ordinate the other clocks with the correct time. The next two clocks represent both sides of the clock on the ground floor of Manget. These three pictures were all taken in a five minute time span.

The first clock on the second row is the one in the Student Center and it was taken about five minutes after the above pictures. The next clock is on the top floor of Manget taken three minutes after the preceding picture. The last clock is on the top floor of Manget and was taken two minutes after the clock on the first floor.

Old Stones And Bell

BY MARYL CLEMENTS

As far back as anybody can remember, there has always been a place set aside on the campus for a chapel. It was previously in the publication offices. The little chapel of LaGrange has always been held dear to the students, and traditionally, communion for the seniors before graduation has been held there.

The new chapel, which will be called simply “The Chapel”, is a gift of The Callaway Founda- tion, Incorporated. The Trustees of the Foundation provided the funds. Officials of the First Metho- dist Church in LaGrange offered materials out of their sacri- fice which they were tearing down in the erection of their new building. The College asked for two rose windows, the stained glass that will compose the six large stained glass windows of the chapel, the old brick, and the slate roof.

Obiion...Cost

Q. What was your most em- bargoing moment?
A. I guess it was when I was in Sydney, Australia. I was serving as director of student life at an Australian college and had just returned from the State of Victoria. I was talking to a group of students about the possibility of going to Australia for a year and I asked them if anyone was interested in doing it. One student raised her hand and said, “Yes, I am.” I said, “Great!” and she got on the plane to Australia the next day.

Q. Have you enjoyed per- forming here?
A. Oh yes, I have enjoyed it very much. I think this has been a real fine crowd.

Q. Is this the smallest sc- hool you've ever appeared at?
A. Well, well. I've appeared at places under 5,000.

Q. That's it.
A. OH! Yes, then I guess I really do.

Roy C. Overton himself was a very polite and generous per- son. He cooperated fully with the requests of the Student En- surment Committee. While talking to him, it was evident that he liked King-size roles, Sunflower seeds, and Salem ciga- rettes. Unlike most entertain- ers who are outgoing, he seemed to be rather quiet and re- served. He is proud of his suc- cess, but not conceited.

From inside the new chapel, a look at what many couples will hold their weddings here.

The contract promissory com- pletion of the chapel is Jan- uary, but it now looks as though completion will be delayed. De- dication of the chapel will be on Wednesday, February 17. It will be conducted by Bishop John Own Smith of the Metho- dist church who preaches over Georgia Methodist. Other per- sons here for the dedication will be members of the Build- ing Committee of the Board of Trustees of LaGrange College.

The chapel will seat 120 per- sons with a few others to be accommodated in a balcony. There will be an electric organ and an electronic system for the broad- cast of music from the cupola.

In the cupola there will be a fine, large brass bell from one of the largest of the old steam engines of the Atlantic and West Point Railroad. It will be operated by an electro- nics device rather than a rope. There will be an office for the Student Christian Association, a belfry's room, and rest room facilities. The ground floor houses the air conditioning and heating system. There is no meeting room in the build- ing other than the sanctuary itself.

The chapel has three items of unusual interest. They are stones embedded in the ex- tend walls. The oldest is from the temple of Apollo in Corinth Greece, 1500 B.C. The sec- ond is from the Ema Abbey located on an island just off the Western coast of Scotland. The third stone is from Windsor Castle. Markers are with the stones.

The foyer of the chapel will have a marble floor and the aisles of the sanctuary will be carpeted. The altar and chan- nel area will be most beauti- ful.

The chapel will be used by the Student Christian Associa- tion and denominational groups for worship programs. It will be open during the day also for students to engage in pri- vate devotion. The senior class will hold its traditional com- munion service there before graduation. It is anticipated that group will hold their weddings here.

The contract promissory com- pletion of the chapel is Jan- uary, but it now looks as though completion will be delayed. De- dication of the chapel will be on Wednesday, February 17. It will be conducted by Bishop John Own Smith of the Metho- dist church who preaches over Georgia Methodist. BSU To Hold Annual Retreat

The Baptist Student Union will hold a meeting Thursday night at 7:00 P.M. in the Bailey Room of Mangen to discuss plans for the Annual Rockridge Camp Retreat.

This Retreat is co-sponsor- ed by the First Baptist Church and B.S.U. It is planned for fun and fellowship for all Bapt- ist students.

This year's Retreat is sche- duled for Nov. 20-21. Reser- vation can be made at the Thurs- day night meeting.

Capt. Chapman, B.S.U. Pre- sident, had this to say about the retreat, “Even during a rainy weekend last year we had a wonderful time because the facilities are adequate for any type of weather. The B.S.U. urges all Baptist Students to make plans to attend this year’s Retreat.”

The leading role, Willy Loman, is portrayed by Billi Bann- burg. Nancy Osborne takes the role of Linda, Willy's wife. Willy's two sons are Noble Bishop- shire and Happy and Larry Kramer as Bill. The rest of the cast includes Jerry Wynn, Rosemary Neely, Mark John- son, Trip McCord, Jim Bar- field, Ellen Houseworth, Jack Jones, sheri Chadwick, and Elaine Kanold.

On November 14th and 15th, the Speech and Drama Depart- ment of LaGrange College will present their fall quarter pro- duction "Death of a Salesman" by Arthur Miller.

"Death of a Salesman" is a tragedy which tells the story of a man's failure caused by his hero worship of the wrong kind of success. According to Dr. Elke, professor of Speech and Drama, the play is an elegy on a life that has failed and has come to its end. It is too late for reformation or for the hero, Willy Loman, to take on a new set of values. But it is too late for the spiritual redemp- tion or the burst of heroic de- termination in defeat which con- sults the essence of the mor- tal art of tragedy.

"It is a story of the "typical American" who loses out by try- ing too hard to win out, a play in which everyone's emotions are involved. The conflicts are our conflicts.

At the age of 63, Willy Loman is faced with the failure of his way of life, as an unwanted employee and a parent disap- pointed in the son to whom he has imparted his own values. Dr. Marie Kates is the di- rector of the play and the cast in- cludes three seniors, five sopho- mores, and five freshmen.

New Cheerleaders Will Boost Spirit

BY: HAROLD TARPLEY
Sports Editor

Six new cheerleaders have been named for LC's Panthers 1964-65 year. They are Penny Calhoun, Dorothy Hart, Mary-Jean Riley, Sheila Sewell, Sidney Johnson, and Freddy Whites. The freshman class has a project which is a great spirit booster. Their "Panthers for the Panther" drive needs each student's help.

Football
Pi Delt remains undefeated and is first place in football. There are five games left to be played. There will be some added action because of new pledges playing with their respective fraternity.

This afternoon Sigma Nu plays Pi Delt. Thursday afternoon Sigma Nu plays Gamma Phi.

Congratulations
Congratulations to Jimmy Matthews for being selected as an "All Conference" volleyball player.

Panthers
The varsity Panthers defeat the absent Panthers Saturday by the score 65-32. There are 14 men on the team now. "The Hilltop News" will have a complete coverage of the players and team on November 17, with a eight page edition.

Field Day
Sports will be climaxed this week as classes compete on Field Day, SCA. Field Day is on Saturday from 1000 a.m. to 1000 p.m.

GammaPhi Ties Sigma Knights

One of the most exciting games in football was played last Thursday afternoon.

The Sigma Nu Knights and the Gamma Phi Goblins fought to a 19-19 tie.

Gamma Phi kicked off to Sigma Nu, but the ball rolled into the end zone and Gamma Phi covered it for a touchdown. After an unsuccessful punt, the Goblins had a 6-6 lead.

The Knights came back and tied the game up when Ted Alford passed to Billy Joe Hyatt, son, Billy Joe Hyatt and Jimmy Matthews.

Jimmy Matthews was named All Conference volleyball performer.

The Panthers were defeated in both of their outings. Alford administered the first defeat by the scores of 18-14 and 15-6. In the nightcap the Panthers lost to the eventual champion West Georgia College by scores of 15-1 and 15-6.

Cross-Country

In the cross-country division LaGrange did not have a participant, West Georgia swept this division despite the wins of Earle Triggens of Shorter College in the cross-country run.

Those members of volleyball squad who made the trip to Rome were Jarold Jacobs, Donald Warren, Bill Pinkseing, Larry Smith, Sammy Stewart, Jimmy Braham, Lowery Tillson, D. Harris.

The Student Christian Association has found a way to determine just who is "the best class in the Hilltop.

This year's junior class came out on top last year as sophomores. This year's senior class came out on top last year as sophomores.

Events will include volleyball, horseshoes, racing, relays, softball throwing, and football kicking. Activities will conclude with lunch on the field.
