Quadrangle Ball

Plans Completed

Plans have been finalized for the first annual Quadrangle Queen contest, according to Mickey Johnson, editor of the LC yearbook.

Johnson said that eleven organizations have been asked to enter candidates. These organizations are the six Greeks, the four classes and Circle K. Any girl who placed in the Homecoming contest is not eligible, and fraternity sweethearts are not eligible.

Judging will be on January 22nd, 6:30. The contest will meet with the judges at an informal tea in Smith Parlor, and after competition, the judges will make their decision.

Johnson emphasized that the judges are being instructed to judge the candidates primarily on beauty and poise.

The Quadrangle Queen will be announced after the Quadrangle Ball on February 6th. Featuring in the Queen contest is not eligible, and upon winning, the winner will be charged to every student/prop. The annual Stunt Night, sponsored by the Women's Athletic Association will be held Friday night, February 4th. Stunt Night could not be a success.

There is a 5.00 charge for entrance to the Homecoming Dance, 4.50 for couples and 4.00 stag.

Stunt Night could not be a success, and the WAA stated that they are hoping for participation from the WAA.

The picture on the left depicts the addition of the bell to the right; the left bell tower was originally constructed as a library. Funds for the construction of the bell tower was made possible gifts from the Callaway Foundation, Inc. The Quillian Building, named in memory of Hubert T. Quillian, President of LaGrange College from 1938-1948, was originally constructed as a library with funds donated by William N. Banks, Sr., a former President of the College.

L.C.'s new chapel is rapidly progressing in its construction to meet the deadline for March 26. The picture on the left depicts the addition of the bell tower, and the one on the right shows the interior and the frame for the rose window. See The Hawk Hanged In Effigy

Bishop To Dedicate Buildings In March

By Mary Proops

Proprietors and citizenry are invited at a dedication service for the new home of the President and the Chapel have been scheduled for the first week of March. According to the following statistics of the National Association of Intercollegiate Athletics.

1. Participation in all-around sports.
2. Cooperation with individuals and civic organizations.
3. Reason for recommendation.
4. Evidence of community activities and activities.
5. Evidence of personal or business affiliations.
6. Evidence of personal or business affiliations.
7. Evidence of personal or business affiliations.
8. Evidence of personal or business affiliations.
9. Evidence of personal or business affiliations.
10. Evidence of personal or business affiliations.

The Twenty-sixth will witness the title of the game. Panthers Play Crucial Game

To say that Wednesday's game is crucial is probably the biggest understatement of the season.

The Panthers are in the midst of the season, and Hawks' (formerly the Gold Hawks) Coach Bill Foster says, "This is the one."

Panther Coach Al Morretti, who concedes that Shorter has the talent of a championship team, says a victory by his team is "an absolute must."

The Atlanta Journal Monday said that "it is clear that the championship fight will again be among Shorter, LaGrange and Valdosta State (defending champions)."

Not only are Shorter and LaGrange ranked among the top small colleges in Georgia, but they are also receiving national recognition.

Although the Hawks are not a much on offense, the defense from Rome are the third best defensive team, allowing 53.9 points per game to the opposition, according to latest statistics of the National Association of Intercollegiate Athletics.

LaGrange, on the other hand, is the fifth most accurate shooting team nationally--firing at 21.3% for the season.

The Hawks have a definite advantage over the Panthers when it comes to their season records. There is nothing short about Shorter's winning margin. The Hawks average margin of 23.9 is much better according to the N.A.A.

However, LaGrange is not too far behind and has a 16 point average for the season, placing the team twenty-first in that national category.

King Says That Mind Makes Man

BY KEN CHAPMAN

As mentioned in last week’s Hilltop News, Dr. Martin Luther King, Jr., winner of the Nobel Peace Prize in 1964, spoke to the Eighth Quadrennial Conference of the Methodist Student Movement meeting in Lincoln, Nebraska, December 29, 1964-January 2, 1965, Dr. King had this to say:

Much of America is like Rip Van Winkle and is sleeping through a revolution. This racial revolution is a challenge to be met by responsible Christians. King said we can do this by achieving a world perspective. No nation can live alone. We are all citizens of the world. We have to think of the world as brotherhood. His challenge is to make the world a brotherhood. If he doesn’t, then “we will all perish as fools.”

The following night of the conference a resolution was brought before the conference making that the delegates take an official stand on the issue. After a fight the resolution passed by an overwhelming majority.

 Nothing seems to have been merely a racy meeting, however, and not the case. Other speakers included Dr. Jose Miquez-Bonino, speaker on Latin America and the role of the church there; The Honorable John Brademas, Congressmen from Indiana, speaking on Christian Responsibility in the political order; Bishop James K. Mathews, who spoke each morning.

On New Year’s Eve the conference witnessed the world’s first professional performance of three cantatas on “The Prologue to the Gospel of John.” These were “The Light of Man” by Bernard Rogers, “Prologue, Op. 75, No. 1,” by Alan Hovhaness, and “In the Beginning Was the World” by Alan Hovhaness.

They were performed under the direction of Thor Johnson, with musicians from the Lincoln Symphony Orchestra. Speakers were ErnestFIGO, Janice Harsanyi, and Ara Berberian. One of the leaders of the conferences praised this music highly and said that it would mean a lot to church music in the years to come.

The Georgia delegation arrived by Atlanta at 5:30 A.M., Sunday, January 3rd. After taking many stops, the train arrived. I concluded that the main effect of the conference was not to be entirely evident at the present time. Much of what we received will come to us slowly, some, to think, and perhaps some, to act.

Sit Up And Take Notice

BY NANCY HAMMETT

Would you like to be deadend ed in a law suit by a lawyer who cheated on him? Would you allow yourself to be taught by a teacher who cheated in college? An old maxim states that a person who cheats hurts only himself. I challenge the validity of such a statement. A cheater hurts everyone he influences, everyone he deceives, all of humanity. Therefore, such a person has the right to be denied cheating in any of several ways.

One way is simply to refuse to give information to Mr. Egelby when covering your paper and enacting your head sideways. Another way is for us as students to drown on cheating. If we do not give our approval by laughing about the clever means used by these pitiful people, a great deal of cheating would be curtailed.

Of course the best way to curb cheating is for each of us not to cheat, I suggest that we all follow these simple rules:

1. Cover your paper during exams.
2. Do not give your approval to cheating, and discourage it when you see cheating going on.
3. Don’t CHEAT!!!

If students of LaGrange College followed these rules, there would be no need for such drastic and unpleasant things as reporting cheaters’ names to faculty and Student Government members.

But have you noticed that this believes that cheating should be legal if it is all of us are good, and we should take none of these.

Most of us don’t plan to make LaGrange our home after graduation. It should be glad for the town that in they were able to acquire this growing community. Lehn was staked to raise the needed funds to purchase the land for the Visqueen people. (They needed $90,000 and the land was purchased in $70,000 and the land was purchased in $70,000 and this money was raised, and this speaks very well for the town.

Sit up and take notice of things going on around you. Mr. Richard Jolly who broke his leg and can now be seen hobbling around the campus; wish to Dr. and Mrs. C. Lee Harwell (she is the former Mrs. Mildred Robinette) for their 30th wedding anniversary; extend our sympathy to Mr. Richard May for the death of his wife, Jean; best wishes to Mr. and Mrs. William Lewis for their 25th wedding anniversary; and to Dr. Toombs and Miss Nell for their 20th wedding anniversary; and to Dr. Toombs and Miss Nell for their 20th wedding anniversary. The Hilltop News would like to point our young man of LaGrange.

Dr. Kay is head of the department of religion at LaGrange College and dean of the chapel. He is a member of both the LaGrange District and North Georgia Methodist Conference boards of ministerial qualifications.

He is advisor to the college’s Ministerial Association, Wesley Fellowship and the chapels council. Along with four other nominees, Dr. Kay will be honored at a Distinguished Service Award Banquet, at which time the winner will be announced.

College News Briefs
The regular monthly meeting of the Baptist Student Union will be held at 7:00 in Jan. 14, in the Bailey Room of Mengt.

There will be a Bible Study Program supported by the First Methodist Church in the front section of the cafeteria. Jan. 14 at 7:00 a.m. There will be a special girls’ sex program. A special girls’ sex

The literary contest, including both short stories and art, is open to college students in the ten Southeastern states, as well as those enrolled in LaGrange College. Any art or short story entered in Alabama is eligible to enter the contest.

LaGrange College students will remember that last year, Artin Wallace, from Columbus, Georgia, won first prize for his entry in the poetry division. Artis a major in Spanish and Drama, was editor of THE SCROLL, and appeared in many of the dramatic presentations on the LaGrange College stage. First place $200 and $100 will be awarded for the top short stories, and $100 and $50 prizes will be awarded for the best poetry entries. Cal the Delta Phi Literary Honorary will also present Prize for the most imaginative entry in the literary contest.

Awards will be made at the concluding banquet of the Festival of Arts, Thursday night, Feb. 3. Winners will be notified in advance so they may attend the banquet.

All work to be entered in the contest must be delivered to Garland Hall at the U. S. on or before February 2.

Library entries should be mailed to Alabama Union, Box 3546, University, Alabama. Further information may be obtained by writing the University of Alabama, Student Government Association, Festival of Arts, Box 3546, University, Alabama.

The Chapman Report, Sports

BY KEN CHAPMAN

"Tommorow night is the big one," Shorter College will be here to play our Panthers in the college gymnasium at 8:00 (see related story on page 4). This is to be an important game in the GIAC this year, because LaGrange and Shorter are both strong contenders for the title.

This past week saw three important games for the LaGrange College Panthers, Monday, a week ago, the team traveled to Birmingham, Alabama, to play another Methodist college, Huntington.

It was a bad night, LaGrange still had its winning team, 90-74. If this wasn't enough, the new bus had character trouble, was forced to stop on the road coming back, and after repairs were made, there was almost a shortage of gasoline.

The loss did nothing to the Panthers; it appears. For Shorter; it was LaGrange's first loss in a rash of fouls and with Tom Duckett played a fine game both on the court and from the bench, I wish our fans had as much enthusiasm, well almost as much enthusiasm, as Tom has.

Final score was Piedmont, 59; LaGrange, 54.

A few other passing notes: Bridge (the card game) appears to be an important game for the LaGrange College Panthers, Tuesday, the Mercer bears came out determined to keep the record number 2 for their team. LaGrange coach Horton or Larry Goodman; Phillips kept "Colonel" ParkerMike Duncan; and finished in playing to sign up.

Continued from page one

It was a bad night. LaGrange even was doing their best to bag their first GIAC win and LaGrange has a 6-2 record in the conference in Hugh Corless has also received national honors as the twelfth best all-time player. The Knights will be helped in the conference in Hugh Corless, currently averaging 18.5 points.

But Shorter's Earle Driggers is second in the league with a 17.2 average. Driggers and Jim Chastain were selected for the All-Holiday Tournament team which the Hawks won in Rome.

Tournament

The Men's Athletic Association has announced that it is sponsoring a Table Tennis Tournament. Dr. Harris stated that Friday, January 15th, is the deadline for persons interested in playing to sign up.

While not sponsored by the Greek Organizations, the registration will be handled by them. Sigma Nu interested in playing see Haney Mathwa or Billy J Hyst. Pi Delta, Larry Morton or Larry Goodwin; Gamma Paine, Mike Donesse; and Independent see Dr. Harris. Dr. Harris said that anyone is eligible to play in the Tournament.

MAA Sets Plans For Ping Pong Tournament

The game in the early stages was very much equal, but close with the biggest Panther lead being thirteen points.

The Lions played a rough brand of basketball, resulting in a rash of fouls and with those fouls kampering the Lions' attack, the Panthers held a 45-33 lead at half-time.

In the second half the Marriett men came out determined to bag their first GIAC win of the year. With 13 minutes to go in the second half the Panthers led 64-51. The rest of the game was "icing on the cake" as the Panthers won.

The Panthers hit 52.9 per cent of their free throws as compared to Piedmont's 22.5 and 50 per cent.

COLELLS LEADS PANTHERS

Hugh Corless led the Panthers with 21 points. The Panthers led in rebounds, 60-47, with Thompson blocking down thirteen.

Panthers Play Crucial Game
