**Governor's Race Three Ring Circus**

**BY JOHN WHITE**

The political situation in Georgia is beginning to look sombered like the center ring at the Ringling Brothers, Barnum, and Bailey Circus. As Jimmy Durante once put it, “Everybody's trying to get into the act.”

Although only two candidates have actually announced so far, by election time next year quite a few more are expected to have tossed their hats into the ring. The more serious of the campaigners, in customary fashion, running quickly.

Interestingly enough, former Governor Ellis Arnall is the most active of the pre-campaign candidates. Arnall, already announced, has begun by taking continuous verbal blasts at former Governor Ernest Vandiver. Vandiver, although not an announced candidate, is surely expected to be on the ballot next year.

Many observers fail to take Arnall seriously, but with the vigor he is showing at this early date one wonders if he is not merely trying to knock Vandiver out of the picture so that a “third” candidate can move to the forefront.

Arnall, when asked why he began his campaign so early, simply says, “I don’t think this is too early. After all I ran for nearly two years when I defeated Gene Talmadge.”

Even so, Arnall apparently has not taken into consideration the effect of modern communications. There was no television in wide-spread use in the 1940’s as there is today. He is facing the possibility of over-exposing himself. And there is nothing worse than an over-exposed Georgian politician.

Vandiver, on the other hand, wisely (from his point of view) is refusing to engage in a snipe war with Arnall. The L & N Railroad and tax-on-a-tax wrangle with Arnall. The More serious of the pre-campaign candidates.

speculation failed so far to draw the form- ers. When asked why he was refusing to declare his candidacy, Vandiver replied “I have not yet decided what I want to do, but I do not want to be a political candidate.”

**Are You Out Of Clean Socks?**

BY MIKE PURNELL

When one sees a sockless student at L.C., one knows that it is the result of one of the following: he has altered about the new rule; he is rebelling against conformity; he is out of clean socks.

The sloppiest people in the world are those whose slop- piness gives the impression of being efficient and they are the hardest workers in the world.

Congressman says “There is nothing wrong with being cool as long as you don’t brush, and there is nothing wrong with a for-your-way-as-long-as-you-don’t-fall-off.

Hallowe'en Had Mysticism

BY SHERIF COOK

The mystical rites and ceremonies with which Hallowe'en was originally associated had their origin in the Druids, centuries before the dawn of the Christian era, in their celebration of the eve of the festival of Summer's End.

In time, some rites peculiar to the Roman festival of Pomona, presiding over the harvest, were added. The early Christian church adopted the day and the day following and gave new names to them, so that they no longer have any mystical significance save among the heathen and are observed only in a sportive spirit by young people. The word itself is of Christian origin and refers to the eve of all Holy Saints.

Trustees Due Friday

BY MIKE FURNESS

Each year the 33 members of the Lagrange College Board of Trustees meet twice. One meeting is held in the spring when many important matters concerning the college.

The other meeting, held in the fall, is of a more informative nature, this meeting will be held this week, Friday, Oct. 29.

"The general theme of the fall meeting is 'What's New at Lagrange College,'" Dr. Henry said, "Actually, I will continue, there are seven rapid-train planning place in building facilities, curriculum, and admissions standards that the students are not as aware of as are the faculty and administration.

As Dr. Henry said, the fall meeting will be attended by the trustees with campus developments in order to allow them to better service in the college.

However, says the president, it is possible for the Board to take decisive action at the fall meeting. He emphasized that such many are the charges of the By-Laws and other important policies that are usually dealt with at the Annual Meeting in the spring.

Of the 33 members on the Board, twenty-five percent are Methodist, Methodists. There are others represent several denominations, churches, and professions. Among these are a Federal judge, a president of an industrial corporation, a bank president, a state legislature, and others the leading business cities from throughout Georgia.

Dr. Henry also pointed out that

there are two ladies on the Board.

Panther Basketball

Twelve home games and two tournaments highlight the 1965-66 LaGrange College basketball season. The Panthers will host twelve games in the local gym includ- ing five Georgia Intercollegiate Athletic Conference games. Coach Al Mariotti’s men will also participate in the Huntingdon Invitational Tournament. Besides LaGrange, Hamilton’s gym will include two Mississippi colleges - Mississippi College and Mississippi Valley State College.

The first half ended in a tie, 6-6. The Independents scored first on a one-yard TD pass by Lea Duskin. Two passes completed the 20-yards and a spectacular grab of James Pietsch’s pass for the Independents’ TD.

In the second half, the first time Gamma Phi had the ball, they scored. On a fourth and six Browning threw to Mixie Skipper in the end zone for the 6-0 lead. Both teams had shifted a round until the Goblins scored again on a play that drove the ball to the Gamma Phi 1-yard line. On the last play of the half Robin Foley made a spectacular grab of James Pietsch’s pass for the third TD for Gamma Phi.

The Independents then ran the remaining two plays out for the end of the game.

Delt Roll 27-6

BY JOSEPH CASSER

Assistant Sports Editor

Pi Delta Kappa rolled to its second victory last Tuesday, defeating the Independents by an overwhelming 27-6 margin.

In the first half the Pi Delt defense was able to stop the Independents offensive team and hold them to only a few yards gained. The first Pi Delt score came early in the game. Larry Horton connected with Jackie Hilton on a 6 yard touchdown pass play. The PAT was no good and the Delt led 6-0.

Later, Horton pulled down another pass from Horton for his second TD. Hilton was wide open in the secondary and the 17 yard play. Chuck Stevens passed from the halfback position and pushed the end zone for the extra point.

With two plays left in the first half the Delt kicked. Lee Duskin took the ball and ran it back 15 yards. Steve Gamble then passed to Paul Cook who was able to pick up 15 yards to the Delt ten. This was the only penetration the Independents made in the first half. The second half began shrewdly, but picked up as Horton connected a 27 yard TD pass to Neil Morgan, a five yard to Hilton and an eight yard to Horton.

Horton’s shotgun kicked the PAT and the Delt led 20-0. Later Neil Morgan pulled down a 10 yard TD pass from Horton to increase the Delt’s lead to 27-0.

With seven plays left in the game the Delt kicked. Gene Frame gained ten up the middle to the 20. Lee Duskin gained nine and two yards on runs, to place the ball on the Delt six.

Hugh Duskin picked up the remaining yardage for the score on an end sweep. The PAT try was no good and the game ended with the Delt up 27-6.
