How Effective is LC Student Government?

By Dean Colay

Student Government should be the number one organization on campus and the students should funnel everything toward it.

Most student reactions to questions about Student Government were met with rancor and sour grapes. For example, one male student shrugged his shoulders and responded with an "I don't know".

Another student was more specific when he said, "I rarely hear of SGA really doing anything." Still another student said, "They seem to talk a lot, but don't do very much." The SGA is a high school senior or graduate and has not previously taken the admission test.

"Religion in Revolution" will be the theme of this year's Religious Emphasis Week lectures by the Rev. Dr. Emerson S. Colaw of Cincinnati, Ohio. The lectures are scheduled for four mornings, beginning next Monday, formatted.

Dr. Colaw will preach at 7:30 each evening at the church, beginning Sunday. His addresses there will be on the theme, "Needed Affirmations."

The SGA speaker will live on campus and be available for conferences with students, according to President Henry. A native of Chariton, Kansas, Dr. Colaw earned two undergraduate degrees at the University of Cincinnati, graduating with honors. He was awarded a bachelor of divinity degree "with highest honors" from the seminary and a master's degree by Northwestern University, Evanston, Illinois.

Dr. Colaw, whose parochial work is in Chicago and Elmhurst, Ill., before assuming his present pastorate, served as a deacon and layman in the church.

Time For Baseball

For several months rumors have been circulating around the campus concerning the possibility of LaGrange College fielding a baseball team.

Naturally, such an undertaking would present many problems to the administration. Where would we play our home games? Can we afford it? Will the student body support the team? Where can we get a coach and players who could combine efforts to produce a winning team?

LaGrange College students are not the type to support a team that does not win consistently. Our student body wants our team to be number one, and if the team is not, it will receive very little support.

In order to field a winning baseball team out of nothing, LaGrange College is going to have to do a lot. A great deal of money and time will have to be spent, before LaGrange College can field a team that will be able to compete in our area.

The first requirement will be securing a coach, who has proved himself by coaching a winning college baseball team. Our second need will be players - scholarship players. We have several boys here who could play college baseball, and they should be put on scholarships comparable to those granted the boys we bring in, provided their abilities are similar. Scholarships are prerequisite to producing a winning team in any sport.

It can be seen that a winning baseball team at LaGrange College will involve a great deal of time and money. The necessary money will have to come from the students, so ultimately it seems we will have to vote to raise our activity fees.

The Hilltop News would like to see LaGrange College field a good baseball team. It would give our school more prestige, thereby enhancing the value of our degree. Also, baseball is a popular sport that boys and girls alike, enjoy as both spectators and participants.

Some of us here have had the pleasure of hearing Dr. Henry recite the poem "Casey at the Bat." Others may remember the interfraternity playoff game last spring, when Dr. Henry stayed until the final out. He seems quite a baseball fan, himself, the logical candidate, I think, to throw out the first ball next spring when LaGrange College has its first ball game.

BY TOM HUGHES

GARY BROWN Grange in June and next year will be doing graduate work at Auburn University under an Assistantship. Gary hopes to go into the field of biochemistry.

Dr. Colaw (Continued from page one

The LaGrange speaker is chairman of the Ohio Methodist Conference's Board of Evangelism and a trustee of Baldwin-Wallace College. He is past president of the Chicago Methodist Ministers' Association and has served as a delegate to numerous church conferences and as a member of a number of church boards and commissions.

Dr. Colaw is the author of the book, "The Way of The Methodist." He has made several trips abroad, including a visit to the British Isles in 1960 at the behest of the British Methodists.

Dr. Colaw is married and the father of four children.

Letters

Editor:

The question of fasting during Lent here at LaGrange, Georgia, has been selected by THE HILTOP NEWS staff as Student of the Week. Gary is a chemistry major who has always been an active member of the college community. He is a member of Sigma Xi, the National Math and Science Society, The Circle K and Pi Delta Kappa fraternity here at LaGrange. And he was elected as an Outstanding Senior by the student body. Who's Who, Among American College and University students will reflect his name this year.

The staff asked Gary three questions concerning his years at LaGrange in the hope of getting a respectful opinion. Gary was asked about what he considered to be the most worthwhile experience of his years at LaGrange. "My association with dedicated members of the math and science department who have studied under . . ." His answer as to what was his most satisfying personal experience here was, "My fraternity association." Gary is serving as president of Pi Delta Kappa this year, and it is the past has served as both historian and treasurer.

We asked him one negative question and received an answer which speaks for a majority of the student body. "What is the least worthwhile activity at LaGrange?" "In my opinion the least worthwhile activity to weekly assembly in its present state. These programs could have a worthwhile purpose but somehow they don't seem to hold the interest of the students. The only reason students go to assembly to become bathe have to."

Gary will graduate from LaGrange in June and next year will be doing graduate work at Auburn University under an Assistantship. Gary hopes to go into the field of biochemistry.

One half-fare ID card is as good as another on Eastern to Florida or 79 other places.

Show us any airline's youth ID card. If it's valid, you'll pay only half price for your Eastern Coach seat (except on April 7th and certain days during the Thanksgiving and Christmas holidays). Provided there's a seat available at departure time, you can fly off on your spring vacation to any of our 96 destinations within the continental U.S. including Florida.

If you don't have such a card, or if you're 12 through 21, it's a snap to get one from Eastern, as long as your parents don't object. Fill in the blank below. Send the blank, a photocopy of your birth certificate or other official government document, and a $3.00 check or money order (payable to Eastern Airlines) to Eastern Airlines, Dept. 350, 10 Rockefeller Plaza, New York, N.Y. 10020. Or take same to any Eastern ticket office, and you can buy your half-fare ticket on the spot. We'll send you your ID card later.

Track Team Working Hard

Last year's track team produced more than its share of outstanding results. Jim C. Martin, Chuck Nixon, Charlie Corbett, and Mike Timmons have all left, however, and is hoped to be broadened in the near future around men as Larry Kissman, Mike Timmons and Ed. Stephens, Mike Timmons and Charles Corbett.

Unfortunately LC is deprived of the presence of Sirman and Corbett, as well as all the pole vaulting ability of Chuck Nixon. The nucleus of the team is still left, however, and is hoped to be broadened in the near future around men as Larry Kissman, Mike Timmons and Ed. Stephens.

By KNOW FRIENDS Sports Editor Ed. Stephens

According to Mr. Ronald Luke, coach of all spring athletics, the team needs some new blood, and welcomed any challenge. Mr. Luke went on to say that he felt sure that LaGrange College could produce a winning track team if only all of the potential on campus was used.

In so far as the schedule is concerned, although incomplete at this time, events have been set up for the month of April. On April 2 the L.C. team will travel to Emory University in Atlanta for a three-way contest with Emory and WestGeorgia.

On April 23 the Panthers will hit the road again for the West Georgia invitational relay in Carrollton, and to close out the month, the team will return to West Georgia for a dual meet on April 25. Mr. Luke said the possibility of some home meets is still open, especially if interest in track can be furthered.

The following are the LaGrange College track and field records.

100 yards — Charles Corbett and Ed. Stephens, 10.2
220 yards — Jim Serman, 22.2
880 yards — Mike Timmons, 2:06.7
1 mile — Tom Duckett, 4:42.5
3 mile — High Jump — Joe Crespo, 18.85
Broad Jump — Mike Church, 22’0” (set in 1964)
High Jump — Chuck Nixon, 7’11”
Discus — James Crews, 120 High Hurdles — Joe Miracle, 42.4
Mile Relay — Ed. Stephens, Mike Timmons, and Charles Corbett, 3:44.4

Netmen Lose

The LC Courts were invaded at nine this morning, by a Washington U. team, fresh from a victory over Old Miss two days ago. Among the Washington U. players was Harry Burre, their number one player, who last year was ranked fifth in the NCAA tournament.

SUMMARY

Singles
1. Harry Burre (WU) def. Real Morgan, 6-2, 6-0
2. At Croft (WU) def. Larry Shumake, 6-3, 6-2
3. Bob Armstrong (WU) def. Buddy McTureous, 6-2, 6-0
4. Ed Ward (WU) def. Sammy Stewart, 6-2, 6-0

Singles Summary
1. Dome Andrews def. Neil Morgan, 6-1, 6-3
2. James Perry def. Larry Shumake, 6-3, 6-2
3. James Taylor def. Buddy McTureous, 6-2, 6-3
4. Eddie KRiskorn def. Sammy Stewart, 7-5, 6-4
5. Bill Texas def. John Pike, 6-1, 6-4
6. Ralph Kuhn def. Ronnie Lewis 6-4, 4-6, 7-5

Doubles
1. Andrews and Perry def. Morgan and McTureous, 6-3, 6-4
2. Taylor and Kellogg def. Shumake and Stewart, 6-4, 6-4
3. McLaughlin and Malone def. Clark Bonner and Pike, 6-5, 6-4

Monday A.M.

1. Fred Edelstein (WU) def. Johnny Pike, 6-3, 6-0
2. Dave Herman (WU) def. Ralph Kuhn, 7-8, 6-1
3. Nord Edstein (WU) def. McTureous-Chanukha, 6-4, 6-4
4. Armstrong-Croft (WU) def.
5. Herman-Kuhn (WU) def.

Tennis Team Drops Opener

It was a cold afternoon last Saturday, both for tennis and for the spectators, as undefeated Alabama College defeated the Panthers 6-1.

The going was rough for the Panthers, who, for their first game, had to face the number one ranked team in the Alabama conference. Coach Ronald Luke said that, despite the loss, the team looked good and with some additional practice, the hopes for the future are much brighter, than he previously thought.

Special praise was deserved by Ralph Kuhn, who, as a freshman, won LC's only game by defeating Ronnie Lewis, 6-4, 6-1, 6-0.

Magician to Speak

At Cage Banquet

The 1965-66 basketball Panthers will step into the spotlight for the final time Saturday evening when they will be honored at the annual LaGrange Alumni basketball banquet.

Dr. James J. Edeland, pastor of the Glen M. Simpson Church in Decatur and a professional magician, will be the featured speaker at the banquet.

A member of the American Society of Magicians with professional rating, Dr. Edeland is past president of both the Atlanta Society of Magicians and the Georgia Magic Club. His feats of magic, which combine mystery with humor, have carried him to hundreds of conventions and high school and college campuses.

Hershel Overeem, president of the local LC alumni club, said the Glen M. Simpson Trophy will be awarded to the best all-around player and the Alumni Trophy to the most valuable player.

Coach Al Martin is scheduled at 7:30 p.m. Saturday in the college dining hall.
