Guys and Dolls Cast Prepares For Play

The Curtain Raisers are now in full swing of preparations for their spring musical, "Guys and Dolls." Only with the disinterested and unsympathetic eyes of the cast and crowd could the Curtain Raisers undertake such an arduous production as "Guys and Dolls," for the beauty and splendor of the choreography and dramatic highlights of the show are difficult.

The assistant director of "Guys and Dolls," Mr. KS. C. Cook, created the many dance numbers. The cast included: Nathan Detert, Tom Bliter; Wilson Interstate, Butch Miller; Benny Southen, Danny Morgan; Darrin Brown, Rosemary Neely; Miss Adeade, Alice Brooks; Randy Charles, News Cameraman for Arvinta, Gills Hills, Mission Blvd, Mary Anne Clarkson; Bobbe Sockser, Laughlin, Carol Duffey; Sandrah, Fran Fogg, Peggy Cobb, Janet Weir, Brenda Pools, Linda Lewis; Sandrah, Carol Duffey; Chris McLaughlin. The choreography was done by Dr. Estes, advisor of Curtain Raisers, and great ability and the spring musical, "Guys and Dolls," could be portrayed.

The Curtain Raisers undertake such production with the aid of Miss Dr. Estes supervises the processes and arrangements of morning festivities for the May Day program. He is president of the Student Affairs Committee which is making arrangements for Religious Emphasis Week, according to Dr. David L. Nagle, coordinator of assembly programs.

The minister-author-speaker will address the Religious Emphasis Week assembly on Wednesday, April 5 at 10 a.m., in the college gymnasium. His topic will be "Where On Earth Is God, and What In The World Is He Doing?"

Wednesday at 7 p.m., in the college gymnasium, he will address the first Religious Emphasis Week assembly on "The Fine Art Of Getting Along With People" and succeeding addresses, following the same schedule and ending Friday morning, will be entitled, "Every Man Has Two Birthdays," "New About Some Things," and "An Invitation To Meet The MAN!"

The Rev. Dr. Myers will also be available for student interviews, counseling and group discussions, Dr. Henry said.

This is the second time for the Atlanta minister to present the Religious Emphasis Week address at LaGrange College. He was also the speaker in 1959.

A native of Trenton, Ga., Mr. Motos finds himself somewhat at LaGrange College. Prior to joining the LC student body on five occasions, he studied at Young Harris College and holds an undergraduate degree from the University of Chattanooga, and a bachelor of science degree from Emory University, LaGrange College honored him with a doctor of divinity degree in 1959.

The Rev. Dr. Myers has served as pastor of the Grace Church since 1960. Previous appointments were as North Georgia Conference director of youth work and pastor of Brookhaven and Trinitarian Churches in Atlanta and Sam Jones Church in Cartersville.

He is president of the North Georgia Conference Board of Education and Educational Churches. He has been a leader of research, and a trustee of Young Harris, Bethany, and LaGrange Colleges, and the Methodist Children's Home in Decatur.

Rev. Dr. Myers is the author of three books, "The Faith of a Storm," "Thunder on the Mountain," and "When Crisis Comes!" and is a frequent contributor to religious journals and anthologies on prayer and family life.

Each Sunday his worship service are televised and he has twice been interviewed to lend his insight to the LaGrange Herald columns.

Applications for editor and business manager for each of the three campus publications are now being accepted by the publications committees, Dr. Zecary Taylor, chairman, and Dr. Zecary Taylor, chairman, Monday.

Applications for the applicants on the 1967-68 Student News, Hilltop News, and Scroll is April 15. All students are eligible to make application for the various positions and the best qualified students will be selected. Applications may be addressed to Dr. Taylor and put in the campus mail or delivered to him personally.

Dr. Taylor said that this year for the second time all three business managers will receive student grants. The Hilltop News and Quadrangle editors will receive a full $500 scholarship, and the Scroll's editor and business manager will receive a half time grant of $250.

PANTIE RAID

 TOMORROW NIGHT

The new SGA President, H. Graden Kirftsey under the direction of the Student Affairs Committee, Motos was quite outspoken. His major concern was the nature of a student government, Motos was quite outspoken. His major concern was the nature of a student government, Motos must, therefore, be selected for the Student Affairs Committee. Acts of the Legislative Council must be approved by this all- faculty committee, and if not they are in effect vetoed; upon approval, Dr. Henry must also give his consent. Motos feels that this procedure slows down our student government as an active representative organ of the student body.

A recent example of this is the case of the rule allowing women students to sit in the student center. "About a month" after its passage by the Legislative Council, the Student Affairs Committee considered this action, whereupon Dr.

The story of a woman’s life and loves.

Climaxing the program will be some twentieth century compositions: *Lullaby* from *The Consecrate* by Glen-Carlo Mancini, *Simple Gifts*, a folk song arranged by Aaron Copland, and *My Man’s Gone Now* from *Porgy and Bess* by George Gershwin.

Throughout her college career, Miss McFarland has participated in various musical activities. She has sung in the college's Dodie Auditorium in partial fulfillment of requirements for a degree in music education.

A student of Paul W. Doss, associate professor of music, Miss McFarland will be accompanied by David L. Woolard, director of music at LaGrange College, First Methodist Church.

The program will open with "Chi vuol essere regina" by Giovanni Paisiello, "O la corderia" by Giovanni Amari, "It’s time to侈" by Ornella Ferro, and "Violetta" by Giuseppe Verdi.

According to Miss McFarland, the evening’s program will be "perfect for a degree in music education."

The illuminated program will be presented at the college's Dodie Auditorium in partial fulfillment of requirements for a degree in music education.

Cheaters Beware

By Buddy Sullivan and Phil Wilson

When the coming of the warm

spring days as the new quarter

gets under way, thoughts turn
to baseball and the advent of a
new major league season. As
far as LaGrange College is con-
cerned, intramural softball is
the major student-participating
sport.

All three fraternity teams
have been practicing since the
beginning of the quarter and
judging from what has been de-
veloping, Pi Delta must rate the
favorite to cope the league
championship.

The Deltas are blessed with
good material and a great deal
of depth at every position ex-
cept catcher. However, even
though they are all bound by a rigid
set of law and procedural rules.

No one would suggest that be-
cause many students cheat and
are caught, those who are
caught should go unpunished.

But to end their education is a
harsh penalty, particularly
when other students caught
cheating may not have to face
the courts.

Students who are caught
cheating deserve punishment,
but to end their education is a
harsh penalty, particularly
when other students caught
cheating may not have to face
the courts.

In a court system, different
judges preside over cases, but
they are all bound by a rigid
set of law and procedural rules.

No one would suggest that be-
cause many students cheat
and are caught, those who are
cought should go unpunished,
but those students and others
deserve to be treated by a stan-
dardized set of rules that would
apply to any student caught
cheating.

Joe McLean, coach of the
Delts, stated that his team has
downed both Sigma Nu and
Gamma Phi in previous games
and that the only outstanding
fault so far is growing errors.
