Dr. John V. Myers, a college teacher of French and Spanish for twenty years, has been appointed associate professor of modern languages at LaGrange College.

Dr. Myers is a native of Sharpsburg, N. C., and holds a bachelor’s degree in French from Wake Forest University, graduating "summa cum laude." He earned the master’s degree at Syracuse University and the doctorate at the University of North Carolina.

He studied as a fellow in Arthurian literature at the Southeastern Institute of Medieval and Renaissance Studies, Chapel Hill, N. C., in 1967. He also was a student at the University of Poitiers and at the Sorbonne in Paris, and at the University of the State of Mexico in Tonala.

Dr. Myers taught at Campbell College in Buies Creek, N. C., serving as head of the language department for the past three years before coming to LaGrange College. Previously he was department head and director of the honors program at Union University, Jackson, Tenn. He also has taught at Syracuse and North Carolina Universities.

For his doctoral dissertation, he edited a previously unpublished medieval French epic poem, "Joham de Lanson." It was published as number 53 in the "Studies in the Romance Languages and Literatures" by the University of North Carolina Press.

Dr. Myers was elected to membership in Sigma Pi Alpha modern languages scholastic society at Wake Forest, during World War II he served in the United States Army and was in combat in the battles of Guam, Leyte, and Okinawa, receiving the Bronze Star medal.

While at Union University, he was chapter president of the American Association of University Professors, was coach of the golf team, and served as secretary of the community golf league. He also organized and coached the golf team at Campbell College.

A local husband-and-wife team will become part-time members of the LaGrange College faculty this fall to teach courses in the area of sociology and social work.

William M. Lundberg, director of the Chattahoochee-Flint Area Planning and Development Commission, has been appointed a visiting assistant professor of social science. His wife, Mrs. Pamela Miller Lundberg, a social worker with the Troup County Board of Education, will be a visiting professor of social work.

In making the appointments, Dr. G. Lee Harwell, LC academic dean, said Mr. and Mrs. Lundberg will each teach one course at the college each quarter during the coming collegiate year, in addition to continuing in their regular positions.

Dr. James L. Dodd, head of the social work program, said, "Mr. Lundberg's understanding of urban problems, and Mrs. Lundberg's knowledge of the profession of social work will add insights and experience that will aid our majors in broadening educational experience."

Landberg, a native of Chicago, did undergraduate study at St. Johns College in Maryland and at Baylor University in Texas, and at the University of Chicago.

Prior to coming to his present position in LaGrange in 1965, Lundberg had served as assistant planning director for the City of Greensboro, N.C., planning engineer for the city of St. Petersburg, Fla., director of the Macon-Bibb County Planning and Zoning Commission; and director of the DeKalb County Department of Planning.

Landberg is a member of the American Institute of Planners, the American Society of Planning Officials, and the Urban Land Institute. He is a member of the board of directors of the LaGrange Association for Retarded Children and a past president of similar groups in St. Petersburg and Macon. He also is a member of the LaGrange Kiwanis Club.

Mrs. Lundberg is a native of Springfield, Mo., and is a graduate of Stephens Junior College in her home state. She completed her undergraduate work and began her graduate studies in social work at the University of North Carolina, receiving the Bronze Star medal.

"The two most significant results of our study," says Vaughn, "were the finding that the real revolutionaries bridled between four per cent and eight per cent of the student population and that one third of the students were activitists who want to work for reform within the system."

According to Vaughn, the surveys indicated that 11 per cent of all students are "true protest activists," i.e., those who comprise the leadership of most campus protest activities. However, only four per cent of all students are "so radical or anarchistic in their views to be considered out of communication with society."

"There is another 30 per cent committed to social and political action but who feel that their goals can be attained within existing systems," says Vaughn. "Add to these groups an estimate that we can call constructivists—those committed to social and political action, but who have not engaged in dissent or protest movements."

This adds up, Vaughn says, to approximately 50 per cent of the student body committed to some form of social action, ranging from violent protest to doing community volunteer work.

Vaughn describes the 50 per cent who are still uncommitted to social action as "the remnant of the 'silent generation' of the fifties."

He points out, "It may be that there will be more dissemination on the campus similar to the unrest which rocked many campuses last year unless changes are made in the decision-making apparatus of higher education."

Vaughn's opinions are based on the results of a study of student attitudes toward current issues such as Peace Corps service, the Vietnam war, the civil rights movement, student activism, the Harris poll commissioned by the Peace Corps, and supplemented by independent interviews conducted by Peace Corps staff members on 12 representative campuses.

Schad is married to the former
Bertrice Ann Story of Athens
and they are the par-
cents of a son, Jeffery, a schol-
gar, Stacia. He is a veteran
of the United States Army ser-
vices in Korea.

Professor Schad has been
employed at the Summer
School of the Ozarks, a film
artist and director for the
Marshall Com-
munity College in Albin.
For three years he was an
artist director for Compton
Advertising, both in New
York City.

While at Compton he gained
national recognition as an
artist director for a prime-time
television commercial in the
1997 American Television Com-
mercial Festival.

Among the exhibitions in
which Professor Schad has
won are the Second Divisio-
nal Exhibit at the Montgom-
ery, Ala., Museum of Fine Arts,
the New York Society of Illus-
trators' national annual show in
New York City, the New
Historical Exhibition in
Atlanta, the Head of the Year
Painting of the Year show in
Atlanta, the Religious Art Fel-
ter in Rochester, N. Y., the
Atlanta Arts Festival, and at
the High Museum of Art in
Atlanta, the New Horizons Col-
lected Works Exhibition, N. Y.,
and the Illinois Gallery in Chi-
to, N. J.

His work is included in the
permanent collections of the
Montgomery Museum, Art
Center of of Los Angeles, the
David Dyer Company in New
York City, and the Claybor-
Corporation in St.

Also, while at Elson, the
new LC professor was selec-
ted for membership in Alpha
Phi Alpha, national drama re-
novation society, and served as
vice president of his chapter.
He was vice president and
president of the Phi Mu Phi
fraternity, the college's dramatic
production group.

Jaffrey was awarded the
Elon's Flying annual "flying" for
excellence in technical areas.
In addition to being technical
director for a number of col-
lege productions, Jaffrey had
casting roles in some of them.
He directed Edward Albee's
"The Zoo Story" which won a
"exciting broad achievement
award" for production in the
Carolwood Drama Association
district and state festivals.
Jaffrey, while still an under-
graduate, worked as a stage
manager and technical direc-
tor in summer drama in Staples
and Rochester Island, N. C. He
is married to the former Hal-
lace Wood of Winter-Salem.

Mr. and Mrs. Lundberg are
members of the Unitarian-
Universalist Church of Atl-
tanta, and many private collec-
tions of Sigma Tau Gamma
art, and B. Brooks Shelhorse
has exhibited in the Southeas-
temperatures.

Among the exhibitions in
which Professor Shelhorse has
won are the Second Dixie
Award in 1967 American Televi-
sion Com-
mercial Festival.

In addition, Professor Shel-
horse was in the southeast-
ern Annual in Atlanta, the Head
of the Painters' Strike in
Atlanta, and the Religious Art Fel-
sion in Rochester, N. Y., the
Montgomery Arts Festival, and
at the High Museum of Art in
Atlanta, the New Horizons Col-
lected Works Exhibition, N. Y.,
and the Illinois Gallery in Chi-
to, N. J.

to, N. J.

His work is included in the
permanent collections of the
Montgomery Museum, Art
Center of of Los Angeles, the
designed for the ASOLO Theatre.
A year-round repertory group
in Sarasota, Fla.

During the three-month
break, Professor Shelhorse
served as technical di-
rector and production manager.
Upon his return to the FAC,
he served as technical
director and set designer for
several University Theatre
productions.

Jaffrey designed the set,
scenery, and special effects for
"Achilles" as his thesis pro-
duction.

While a student at Elon, the
new LC professor was selec-
ted for membership in Alpha
Phi Alpha, national drama re-
novation society, and served as
vice president of his chapter.
He was vice president and
president of the Phi Mu Phi

WALTERS APPOINTED TO DEVELOPMENT

LaGrange College has appointed Richard T. Walters as director of development to administer the liberal arts college’s long-range development program.

Walters has thirteen years of experience in organizational fund-raising, civic work, public relations, and promotion of financial support for various institutions and projects. The appointment was announced by Dr. Walter G. Lunsford, president.

“Mr. Walters is qualified by experience and leadership ability to make a significant contribution to the future development of LaGrange College,” Dr. Lunsford said. A resident of Conyers since 1956, Walters was a professional consultant with the Boy Scouts of America for 13 years, directing financial campaigns for the Scouting program in Pottsville, Pa., Raleigh, N.C., and Atlanta.

Walters has been a fund-raising consultant for the Atlanta firm of Griffith and Haas since September, 1965. He has managed several campaigns for institutions of higher education and charitable organizations.

The new LC director of development is a native of Philadelphia, Pa., and a graduate of West Chester (Pa.) State College. He earned a bachelor’s degree in mathematics and political science in 1952.

In Conyers, Walters is currently serving as chairman of the city’s development committee by appointment of the mayor and City Council. He is a past president of the chamber of commerce and has served as vice president and chairman of the interclub relations and program committees.

He is a member of the Methodist Church in Conyers and is a former member of the official board, and was chairman of the Commission on Education. He has served as first vice president and campaign chairman of the Conyers-Brockdale County United Fund. In the Jaycees he was a state director, parliamentarian, Jaycees week chairman, and an extension chairman, organized a new club at Loganville.

Walters was one of the organizers and charter members, and then served on the board of directors of the Pottsville Jaycees. He served as membership chairman, Jaycees week chairman, and, as extension chairman, organized a new club at Logeville.

The new LC administrator of admissions is a native of Paladopolis, Pa., and a graduate of West Chester (Pa.) State College. He earned a bachelor’s degree in mathematics at the end of the summer term.

In Conyers, Walters is currently serving as chairman of the city’s development committee by appointment of the mayor and City Council. He is a past president of the chamber of commerce and has served as vice president and chairman of the interclub relations and program committees.

The University of Georgia may well have become the most liberal institution in the south on student privileges by lifting current restrictions which had been in effect for twenty-one years. The new rules on drinking, however, do not permit alcoholic beverages on campus. This is in line with the university spokesmen's understanding that new rules followed by several months a series of campus demonstrations for "coed equality." But the university spokesmen hastened to add that any decision on rule changes was final.

A referendum on new rules was held in student body elections in May, and the spokesman said these changes were the heart of the complexities of students in a petition which clearly states the intent and purpose of the revision. As long as those views are not impeded, the right to express them is valid. As far as I have been able to ascertain, the press will remain free of any "outside" interference. The paper has the right to speak out in the free and open manner that reaches every student. It is the only way to freedom of speech.

HEW GRANTS FUNDS

The United States Department of Health, Education, and Welfare has granted $6,500 to the LaGrange College Library for acquisition of new library books and materials.

The award, made through the National Library Resources Program for the fiscal year 1968-69, was announced recently in Washington, D.C., by Grant Vem, associate commissioner of education for adult, vocational, and library programs.

Mrs. Irene W. Malcon, librarian, said LaGrange College "is planning to use the federal grant to eliminate some gaps in our book and periodical collections and to provide library materials in connection with new course offerings."

Title II-A of the Higher Education Act of 1965 authorized the federal grants. According to President Henry Wood, the library award includes a basic grant of $5,000 and a match of $5,000 in federal and non-federal funds.

The college applied for the federal funds under the library program authorized by Title II-A of the Higher Education Act of 1965.

The United States Department of Education announced the $6,500 grant.

William and Evelyn Banks Library, the college were utilized for this purpose.

His undergraduate and master's degrees at the University of Georgia and has completed all graduate work toward a doctor of philosophy degree in history at Georgia.

The subject of Campbell's master's thesis was "Evidence of Graduate Activity in Selected American Writers and Thinkers from 1850 - 1869."

In addition to his study, Campbell was a teaching assistant at the university.

The new LC professor is a member of Phi Alpha Theta national history honor society. He also is a member of the First Presbyterian Church of Athens.

Campbell is married to the former Christine Collins of Athens and they are the parents of a two-year-old son.

For his master's thesis, Tosh Gust wrote on "An Evaluation of the Educational System in the Silk River Development Area."

He is a native of Athens, Ga., and has his undergraduate degree in history from the California State University at Fullerton.

For his master's thesis, Tosh Gust wrote on "An Evaluation of the Educational System in the Silk River Development Area."

Professor Gust and former instructors and assistant professors at the college have been appointed to the history faculty at Largrane College.

The second student center on the LC campus was designed by the architectural firm of Biggs, Stewart, Neece, Crisp, and Carr, of Columbus. It is hoped that the students will be enjoying the comfort of the new center by October first, meanwhile, has anyone bothered to notice that the furniture in the student center is the same furniture that has been upholstered? Is that bad? Yes? So stick around, look for yourself if you don't believe it.

New student center to be air conditioned

Construction has started on a new student center-recreation area in the basement of the LaGrange College dining hall. This student center will be used in addition to the present student center in the Smith building. The alterations to the dining hall will provide more space for approximately twenty-five tables and 100 chairs.

The new center will also get a new air-conditioning unit.

The entrances to the new center will be from the side of the dining hall facing Turner dorm.

Is that bad? Yes? So stick around, look for yourself if you don't believe it.

Now that you have noticed, what do you say we refrain from using the furniture for anything but furniture? for art, for sculpture, for something that can be used to take care of the furniture, maybe we'll get something better than classroom desks in our television viewing area of the student center. Let's show the faculty and administration that we are adults and can take adult care of what they provide for our comfort.

SPORTS ROUND-UP

NEW CAGERS JOIN TEAM

A junior college basketball team from Florida and three others have signed LaGrange College grants-in-aid. The talented quartet are Scott Wiseman of Tampa, Gay Clark of Alamo, Danny Mink of Decatur, and Mike Rainey of Attalla. Wiseman, a forward, is one of the most outstanding basketball prospects in the state and will bring a lot of basketball potential to our team. They also are good students and I think we are very fortunate to get them. Wiseman, 6-5, averaged 22 points per game for Manatee Junior College in Bradenton this past season, led his team to a 16-3 season, and was named to the State Class C tournament team. Among Wiseman's school marks are totals of 1,625 points and 465 rebounds during his freshman season. He also was named as his school's "Outstanding Senior" by his classmates. Scott, 6-5, 195, was a member of the mid-South Conference championship team last season at Tennessee Military Institute. He averaged 14 points and 10 rebounds, hitting 50 per cent of his field attempts and 85 per cent from the foul line. A 1967 graduate of Atlanta's North Springs High School, Scott averaged 15 points and was named the team's "Most All-Round player." He was charter president of the Fellowship of Christian Athletes at TMI.

Two new opponents, 10 traditional rivals and a return visit to the Blue Gray Classic, highlight LaGrange College's 1968-69 basketball schedule.

Coach Alfred (Al) Mariotti's upcoming seventh Panther club will be a strong team this season, although the LC quintet has faced both in tournament play. In addition to action against the other seven members of the Georgia Intercollegiate Conference, the Panthers will meet regular annual opponents Mercer, Columbus, and Alabama College, all on a home-and-home basis.

The LC cagers, runners-up in last year's Blue Gray Classic in Montgomery, Ala., will enter the early January tournament against a field which includes Birmingham-Southern, Centre, Livingston and defending champion Huntingdon.

In the incredibly tough GIC, the Panthers will play two tilt against Valdosta State of Valdosta, the defending champion; Armstrong State of Savannah; Berry of Mount Berry, Georgia Southwestern of Americus, and West Georgia at Carrollton.

Mariotti will have eight let-
ters returning from last year's club which finished with an 18-10 record—the most wins in the college's 10 season of intercollegiate competition. Included are 6-6 Lamar Adams of Chatawba, 6-foot 5-inch Godwin of Greenville, and 6-5 Glenn Traynor of Delhi, La., all start-
ers.

Returning reserves who will be battling for first string berths this fall and winter are John Collins of Jacksonville, Fla., Be Dell of Wyncote, Ind., Mike Rainey of Clarks-
town, Al Streoud of Macon, Ga., and Ed Wallace of Aiken, S.C.

Four seniors have been lost by graduation since last season. They are two—time "most valuable player" Earl Holmes, permanent team captain Tom Duckett, Neal Chancey and Steve Fry.

The LaGrange College schedule:

NOV. 19—COLUMBUS AT LaGRANGE; Nov. 25—ALABAMA AT Montevallo, Ala.; Nov. 29—GEORGIA SOUTHWESTERN AT LaGRANGE (GIC);

Dec. 4—MERCER AT LaGRANGE; Dec. 6—Augusta at Augusta; Dec. 7—ARMSTRONG at Savannah; Jan. 3—Blue Gray Tour-
nament at Montgomery, Ala.; Jan. 8—SHORTER at Rome (GIC); Jan. 12—PIEDMONT AT LaGRANGE; Jan. 15—GEORGIA

SOUTHWESTERN AT LaGRANGE (GIC); Jan. 19—BERRY AT LaGRANGE (GIC); Jan. 22—BERRY AT Rome (GIC);

Feb. 1—VALDOSTA AT La-

68-69 SCHEDULE ANNOUNCED

SPORTS ROUND-UP

NEW CAGERS JOIN TEAM

A junior college basketball team from Florida and three others have signed LaGrange College grants-in-aid. The talented quartet are Scott Wiseman of Tampa, Gay Clark of Alamo, Danny Mink of Decatur, and Mike Rainey of Attalla. Wiseman, a forward, is one of the most outstanding basketball prospects in the state and will bring a lot of basketball potential to our team. They also are good students and I think we are very fortunate to get them. Wiseman, 6-5, averaged 22 points per game for Manatee Junior College in Bradenton this past season, led his team to a 16-3 season, and was named to the State Class C tournament team. Among Wiseman's school marks are totals of 1,625 points and 465 rebounds during his freshman season. He also was named as his school's "Outstanding Senior" by his classmates. Scott, 6-5, 195, was a member of the mid-South Conference championship team last season at Tennessee Military Institute. He averaged 14 points and 10 rebounds, hitting 50 per cent of his field attempts and 85 per cent from the foul line. A 1967 graduate of Atlanta's North Springs High School, Scott averaged 15 points and was named the team's "Most All-Round player." He was charter president of the Fellowship of Christian Athletes at TMI.

Two new opponents, 10 traditional rivals and a return visit to the Blue Gray Classic, highlight LaGrange College's 1968-69 basketball schedule.

Coach Alfred (Al) Mariotti's upcoming seventh Panther club will be a strong team this season, although the LC quintet has faced both in tournament play. In addition to action against the other seven members of the Georgia Intercollegiate Conference, the Panthers will meet regular annual opponents Mercer, Columbus, and Alabama College, all on a home-and-home basis.

The LC cagers, runners-up in last year's Blue Gray Classic in Montgomery, Ala., will enter the early January tournament against a field which includes Birmingham-Southern, Centre, Livingston and defending champion Huntingdon.

In the incredibly tough GIC, the Panthers will play two tilt against Valdosta State of Valdosta, the defending champion; Armstrong State of Savannah; Berry of Mount Berry, Georgia Southwestern of Americus, and West Georgia at Carrollton.

Mariotti will have eight let-
ters returning from last year's club which finished with an 18-10 record—the most wins in the college's 10 season of intercollegiate competition. Included are 6-6 Lamar Adams of Chatawba, 6-foot 5-inch Godwin of Greenville, and 6-5 Glenn Traynor of Delhi, La., all start-
ers.

Returning reserves who will be battling for first string berths this fall and winter are John Collins of Jacksonville, Fla., Be Dell of Wyncote, Ind., Mike Rainey of Clarks-
town, Al Streoud of Macon, Ga., and Ed Wallace of Aiken, S.C.

Four seniors have been lost by graduation since last season. They are two—time "most valuable player" Earl Holmes, permanent team captain Tom Duckett, Neal Chancey and Steve Fry.

The LaGrange College schedule:

NOV. 19—COLUMBUS AT LaGRANGE; Nov. 25—ALABAMA AT Montevallo, Ala.; Nov. 29—GEORGIA SOUTHWESTERN AT LaGRANGE (GIC);
